

Every Day Matters!

SHOW SOME LOVE FOR LEARNING!

Remember, Every Day Matters—show some love for learning!

This February, show your love for learning by being "On Time, In School, Every Day." Regular attendance makes a difference! Try scheduling non-urgent medical appointments outside of school hours to minimize days missed. If your child must stay home due to illness, ask their teacher for resources to keep learning from home.

On Time, In School, Every Day!
