

Volleyball Club Permission Slip

Volleyball Club will meet **after school until 4:30 pm in the WEST GYM**(the one Ms. Hinderliter teaches out of) When the gym is available after October 31, most likely every other Monday or Wednesday. Students will be alerted at least a week before each session.

We may talk about other meetings we want to add or delete as the schedule changes throughout the year. For example, most of January will be difficult to have the club because of basketball tryouts and the half days at the end of the month, but if we want to have volleyball club the week after break, we can. We will talk about these at the end of each meeting. Same with the week before break.

You do not have to be to attend all Volleyball Club meetings, you can sign up even if you think you can only make it for one Session.

We will work on several Volleyball skills such as passing, setting, hitting, strategy and other volleyball knowledge. We will have a lot of fun, but I expect students to be focused on learning and improving, not just goofing off and being a distraction.

Volleyball is open to any Emerson Middle School student, regardless of skills, experience, etc.

There is no fee to participate in the Volleyball club, students should bring appropriate shoes, clothes and please bring knee pads. All other materials will be provided. Students should bring items they are taking home to the Volleyball Club. They will not be able to stop at their lockers afterwards. Please direct any additional questions to
