THANK YOU!

Thank you for showing up each day to do this
meaningful work. Thank you teachers and other
personnel for continuing to come to work each
day, despite often challenging conditions and
endless to-do lists. Thank you for constantly
filling in gaps, usually without any additional
compensation or recognition. Thank you for
giving students a fresh start each and every
day. Thank you for finding ways to connect with
students, create joy, and nurture curiosity.

Know that your unwavering support and
dedication to ensuring that students have what
they need to grow into productive and happy
adults will have an impact on their lives for
years to come. Always remember that the little
things matter. Don't take anything or anyone for
granted.

School Spotlight

National School Counselor's Week!

During the month of February, we recognize our school counselors for their hardwork and dedication. Mrs. Glover's 2nd Grade class created a special display for our counselor, Ms. Smith!

Nurse's Station

Life is unpredictable and you never know when a child may need a change of clothes. The Health Room is limited on clothing, so I am asking that you please keep a change of seasonal clothing (shirt, bottoms, underwear, socks) in your student's backpack for emergencies to help ensure their school day will not be interrupted. If your student comes home in borrowed clothing from the Health Room, please wash and return it so it will be available if needed again. Thank you!

P.S. The Health Room is in need of gently used children's clothing (sizes 6-14) and shoes. If you are able to donate, it would be greatly appreciated!
