

NOLA EDUCATION, LLC

The Star Academy program is a comprehensive 7th-9th grade program that immerses students in core courses through a “hands-on”, project-based curriculum that re-engages them towards academic success and graduation.

Steps to Enroll a Child:

1. Schedule a visit to tour the school and meet with the principal to answer any questions.
2. Complete Magnet Application

When will a parent or guardian know if the child is accepted?

1. Parents will be notified once attendance and discipline records are verified.

What special programs do you offer as part of your magnet?

1. Carter C Raymond is the only school in the district that offers STAR Academy. Students are immersed in hands-on learning experiences that explore career options of interest to the students. Additional hands-on learning experiences are being added each year to continue this unique learning approach.

What other stipulations are part of the application process:

- Minimal to No discipline issues
- Attendance Record
