TOP 10 TIPS2PROTECT FOR YOU AND YOUR CHILDREN

- 1) Start an open, two-way conversation with your child.
- Password-protect or control access to your child's app store and gaming downloads.
- 3 Set time and area limits for use of devices and set device check-in times.
- 4 Set all apps, games, and devices to private.
- 5 Turn off location data services on social media and nonessential apps.
- 6 Talk about data permanency. Online data can last a lifetime.
- 7 Create a contract with your child regarding online behavior.
- 8 Know your child's friend lists. Remove strangers.
- 9 Warn your child that they should never leave a game to chat with someone they don't know on a different platform.
- Do not delete messages, images or videos from predators and do not forward any sexually explicit images or videos. Save usernames, screenshots and images or videos as evidence for law enforcement to collect directly from the device.
