Furniture Bid Questions Received from Potential Bidders

Meteor Education 01.28.2025; 11:12 am

We are currently preparing our bid submission for Furniture Standardization Project - Elementary Schools Phase 1, and would like to point out the below regarding the specifications outlined in the bid documents:

1. **Question: Item #3 (25560)**

- The bid document specifies a request for standard legs at **18-27"H**, but the correct standard leg height is **24-34"H**.

Answer: Correction Item #3 on Specifications and Bid Quotation Sheet: standard leg height is 24-34"

2. **Question: Item #8 (F11W00000P)**

- The bid document lists the width as **14"**, but the correct width should be **43"**.

Answer: Correction Item #8 on Specifications and Bid Quotation Sheet: width is 43"

3. **Question: Item #9 (E11W00000P)**

- The bid document also lists the width as **14"**, but the correct width should be **43"**.

Answer: Correction on #9 on Specifications and Bid Quotation Sheet: width is 43"
