The high school band and choir have district solo/ensemble on Saturday, February 22nd. Elkhart Lake-Glenbeulah is responsible for taking a snack cart to all sites during the morning as well as the afternoon. It would be a 30 minute commitment. Please consider signing up for the food cart or one of the other areas that our conference needs help hosting this event for the students.

We are in a new semester. Attached is the new band lesson schedule. If a student misses a band lesson during the quarter, the last week is designated as make-up lesson week. They just need to attend their normal lesson to make-up a lesson.

If a student would like to make-up a lesson sooner, please have them go to the band Google Classroom page and sign-up. Every week I post openings that I have for the next.
