

HEIGHTS CHRISTIAN SCHOOLS BREA CAMPUS

FEBRUARY 2025

Greetings Parents,

The 3rd quarter has begun...how time flies! Valentine's Day is just around the corner. This day allows us to take extra time to show love to others. Love comes from God. Jesus said to love one another as He has loved us. That is quite a task! I hope you enjoy this Valentine's Day and take some time to say "I love you" to those you love. Traditionally, we know this day to be a romantic holiday. But, as believers, we know that the call to love is special to all, everyday of the year.

Next year's enrollment is in full swing! The "no hassle" continuous enrollment process not only locks in the lowest rate for returning families but it secures your child's spot on campus, eliminating any worry you might have over space or programming.

This is God's school and we believe His faithfulness has brought your family here...we are a school family! And I'm excited to continue partnering with you.

Blessings,
Mrs. Carlos

February Character Trait

Make The Right Choice

This month our teachers will focus on instructing students to choose the right path. Students will learn to base their decision making in truth, honesty, and wisdom.

Making the right choice isn't always easy but we rest in knowing that we honor God by sticking to the truth!

*Whoever trusts in his riches will fall,
but the righteous will flourish like a green leaf.*

Proverbs 11:28

COMMUNITY PARTICIPANTS—REACH OUT

The fourth of our Big Five Learning Results is: **Community Participants**. In our own words, we say, "Reach Out!" The official goal reads, "Graduates of Heights Christian Schools will be **Community Participants** who practice responsible citizenship and patriotism, and demonstrate the compassion of Christ by being sensitive to the needs of others and contributing to meet those needs (1 John 3:16-18)

We work to build this ESLR into our students throughout the year. Sometimes this is done through grade level activities such as the a class collecting food from the neighborhood and donating it to a local food bank or our third grade class sending cards to local pastors and praying for them. Other times it is done on a school-wide basis such as Missions Week. Ultimately, we want our students to feel the need to care for others and to serve their community.

Mrs. Mallipudi led our Missions Week and taught us about Madagascar. Our school raised money for chicks to send to families across the globe!

Students also reached out within their community to serve our neighbors locally as well.
