Review School Community Council Roles

- Lynsey & Troy
 - Members are elected by their respective groups.
 - The council makes decisions about the funds the school receives from the School LAND Trust Program. The council prepares and approves a school improvement plan and a School LAND Trust spending plan to identify and address the school's greatest academic need(s).
 - The council's other duties include developing a Child Access Routing Plan and providing input on digital citizenship and safe technology use in schools.
 - The council may also act as an advisory board for any topics related to the functions of the school.

Digital Citizenship

- Student Training - Heidi Allen teaches this during the school year. - Heidi

Safe Routes

- Map Approval - Troy

School Safety Plan

- Teanna- The safety plan is reviewed at the first faculty meeting each year where we go over all drills and supplies. We have a practice drill once a month. The drills are happening at different times of the day and most of the staff is not told when they are happening in an attempt to make the drills more realistic. Our goal is to come up with something to present to parents in case of an emergency, so they know what to expect. Troy wants to talk about safety in each SCC meeting and then at the end of the year have something to present to the parents. The school is working towards having a system in place where everyone knows what to do even if key people are absent. Students get released from drills by two forms of communication.
- The drills are:
 - Hold
 - Secure
 - Evacuate
 - Shelter in place
 - Lockdown

Other

- Are there any additional items or concerns that need to be brought up?

We had great discussion about the amendments from Tery.
