To the best of my knowledge this Health History is correct and complete. The camper has permission to participate in all camp activities unless otherwise noted on this form.

I hereby give permission to **GSB Day Camp** to provide, seek, and consent to routine medical health care, administration of prescribed medications, and emergency treatment for my child as may be necessary. This includes, but is not limited to: x-rays, routine tests and treatment, and/or hospitalization. I give permission to GSB Camp to provide transportation required for treatment. I understand that all medical bills for services to my child rendered by anyone other than the GSB Camp staff are my responsibility. I agree to release any records necessary for treatment, billing, or insurance purposes.

It is my intention that the camp be treated as acting *in loco parentis* for my child. If I cannot be reached in the event of an emergency, I grant permission to **GSB Camp** to use the physician they have selected to secure treatment, including hospitalization.
