#### Message from Mrs. Cherence, Principal

Dear Cliffwood School Families,

We hope you are all doing well! Here's a quick update on some exciting happenings around school this week:

##### **Early Dismissal Tomorrow 2/3**

Tomorrow K-3 Students will be dismissed at 1:20 PM. PreK Students are on a regular day schedule, they will be dismissed at 3:35 PM. Please plan accordingly.

##### **Lunar New Year Celebrations**

Last Wednesday, we celebrated the Lunar New Year, and we want to wish all our families who celebrate a year filled with happiness, prosperity, and good fortune! Our students had a blast learning about the traditions and customs of the Lunar New Year. Our PreK students got especially creative, making snakes out of pipe cleaners to represent the Year of the Snake, and had a fun time racing them in a friendly competition!

##### **100th Day of School Celebration!**

Mark your calendars, the 100th Day of School is on February 18th! We're also excited to share that we've entered a contest to win a 100th Day Sign for Cliffwood School, and we're in the top running! A huge THANK YOU to all the families who have voted and shared on social media. Let's keep the momentum going and help us win!

##### **Groundhog Day Fun**

Today is Groundhog Day, and our little ones are definitely excited about it! We know they'll be

talking about whether or not Punxsutawney Phil saw his shadow tomorrow at school. If you haven't had a chance to watch the event yet, take a moment to check it out with your child. We're sure they'll be eager to share their thoughts when they get to school!

American Heart Challenge

Hello Families,

We're excited to announce our school's American Heart Association's Kids Heart Challenge will be kicking off the end of this month. Our students will be learning about staying strong in body and mind. **Register today under our school at [heart.org/schools](https://heart.org/schools).** Check this off your list in less than one minute.

This year, we have an important goal: 100% of our families learning the lifesaving skill of Hands-Only CPR! It only takes a few minutes to learn, and it can make all the difference in an emergency.

- **Register:** [heart.org/schools](https://heart.org/schools) or scan the QR code above and download the free "AHA Schools" app.
- **Complete Finn's Mission:** Complete all 7 steps, learn Hands-Only CPR, and you'll earn Finn's Lifesaver Cape and you'll also be entered to win two tickets to Super Bowl LX in 2026!
- **Share with Family & Friends:** Send messages via social media, text messages and/or email.

Let's work together to create a community of lifesavers. Thank you for your support in helping us achieve this incredible goal!

**Save Lives. Win Big.**

Students and staff that complete Finn's Mission will earn an entry for two tickets to **Super Bowl LX** in 2026 and our school will be entered to receive a **\$10,000 fitness equipment makeover** for every 18 students and staff who complete Finn's Mission.

The National Football League (NFL) is a proud national supporter of the American Heart Association's Nation of Lifesavers.

## Information about Excused/Unexcused Absences

# Attendance Matters

## Every student. Every day.

The New Jersey Department of Education recognizes only six allowable reasons for an "excused" absence; these reasons are listed below.

1. Religious holidays (Each year, the State Board of Education votes on a list of approved religious holidays for observance upon the written request signed by the parent.).
2. Participation in observance of Veterans Day.
3. Participation in district board of election membership activities.
4. Take Our Children to Work Day.
5. College visit(s), up to three days per school year for students in grades 11 and 12.
6. Closure of a busing school district that prevents a student from having transportation to the receiving school.

Being present and on-time to school each day is extremely important for students' success and well-being. School attendance is a powerful predictor of student outcomes; data shows that, when students are present daily, they learn better and are generally healthier. **Attendance matters and every school day counts!**
