February 2025 Edition

## PRINCIPAL'S MESSAGE

For the month of February, our Seaford Scholars trait is focused on flexibility! When children can adapt, problem-solve, and see challenges from different angles, they grow into confident, resilient learners. Encouraging them to try new strategies, embrace mistakes, and stay open-minded will help them succeed in school and beyond. Thank you for partnering with us to nurture flexible, curious thinkers! Go Vikings!

## LIGHTS! CAMERA! PARP!

This year's PARP theme is Lights, Cameras, Read! Our generous PTA provided us with a fun balloon backdrop that was "popping" with movie features, like a movie reel and popcorn. Students are enjoying spirit days to showcase their love for literature and recently wore "Red Carpet Cozy" clothes and will also dress like a "Local Celebrity" and highlight their Seaford pride. On Tuesday, February 4th, we will host an interactive assembly to "rock out to reading" and encourage our students to jump into the pages of a good book!

## HARBOR SWEETHEARTS!

Valentine's Day is a great time to make someone smile!

Here are some simple ideas for Valentine's Day fun:

**Kindness Coupons** - Kids can make "coupons" offering to help a friend, share a toy, or give a compliment.

**Gratitude Jar** - Kids can write reasons they love their family and friends on slips of paper and put them in a decorated jar.

**Homemade Art** - A drawing, poem, or craft from the heart is a priceless gift.

## WE LOVE LITERACY!

Reading is so important because it sparks imagination, builds knowledge, and helps us grow as learners and thinkers. On Thursday, February 6th at 6:30 pm we will be celebrating our love for reading and imagination at our annual Literacy Night with the special theme "Once Upon a Time at the Harbor School!" We will also welcome guest author, Jen Calonita who will inspire our young scholars to explore the art of fairytale writing. Please make sure you sign-up in advance for this great night!
