

## **Delta Morning Announcements**

**1/27/25**

**Good Morning Deltonians!! This is your Principal, Mrs. Bennion.** Today before we do the pledge of allegiance, I would like you all to open your laptops, turn them on and as they load I want you all to go to your email.

Lets all stand now for our Pledge of Allegiance.

Please Stand up, face the flag and say the pledge with me.

**I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands: one Nation under God, indivisible, with Liberty and Justice for all.**

And Now Gabe and Makenna will be sharing your other morning announcements. .

Often we send emails to students to ask them to do surveys, or respond about certain circumstances. It should be a professional expectation that each day you check your email once while at school. Please begin to get in the habit of checking your email daily. You may also want to look at Minga daily to find out other opportunities that are happening around the school.

As you are opening your email, I also want you to know you are safe at Delta. We have the doors locked at all times and the only people are allowed in our building are 100% verified before they come in the door. We would never let unwanted visitors in our building. If you have ever heard the saying, you are safe, you are welcomed, you are accepted and you are loved. That is the way Mrs. Guaman and I both feel about each and every one of you.

Now on a different note. I would like you to find a quick partner, look at that partner and say, We get out of school at 10:30 on Wednesday. Now all of the partners in the classroom please say, Yeah we get out of school at 10:30 on Wednesday.
