Notes

Revenues

Local Tax Property, we received the first advance for March on January 30, 2025. No change in projected revenues as of the end of January. We should have most of the Property Tax receipts by the end of February. We did saw a 1% reduction in Assessed Value.

Income Tax is 9.5% over budget after the January payments. We are 7.5% over fiscal year to date from January 2024.

State Foundation is currently \$208,924 (2.8%) over budget. The student numbers for Disadvantaged Students and Special Education changed significantly on the second January Foundation Payment.

Line 1.06 Miscellaneous Revenues were strong in January. The General Fund received Interest Income of \$84,895 with all other miscellaneous remained consistent. Interest Revenue remaining higher than budgeted.

Total Revenues are \$924,114 (4.6%) over budget. Most of the \$924,114 is related to the unexpected advance on Property Taxes. The revenues are improving and we will need to continue to monitor the State Foundation numbers.

Expenditures

Wages and Benefits are currently .04% 7,120 under budget.

Purchased Services and Supplies are both significantly over budget and we will watch as we progress through the fiscal year. This is related to the Curriculum and Chromebooks. Purchased Services and Supplies for January were \$37,203 under budget, if the lower expenditures continue we have incurred the majority of the expenditures early in the school year.

We are projected from the five-year forecast to expect to spend \$517,703 more than we receive in revenues, that is reflected in line 6.01 Excess Revenues over under Expenditures. Currently we can expect to be a little higher in deficit spending in fiscal year 2025.
