Highlights

Dear Savoy Parents and Guardians,

As we step into February, we want to take a moment to update you on important happenings at our school. We are committed to supporting your child's success, and we appreciate your partnership in making this school year great.

The Importance of Attendance

Regular attendance plays a crucial role in your child's success. Missing even one day of instruction can make it challenging to keep up with coursework. Please prioritize consistent attendance and communicate with us if your child needs to be absent for any reason. Together, we can ensure they don't miss out on valuable learning opportunities.

Tutorials Are in Full Swing

This month, we have started offering tutorials to help our students excel academically. These sessions provide additional support in key subjects and are designed to ensure every student has the tools they need to succeed. We encourage your child to attend to receive extra help or to excel above and beyond in their coursework.

Testing Season Is Here

As we progress through the semester, we want to remind you that this is a significant time for testing. From state assessments (TELPAS/STAAR) to classroom quizzes and projects, these evaluations are essential for measuring your child's growth and understanding. Please help your student stay organized and prepared by reviewing their schedules and ensuring they are ready for these important days.

We Love Our Students

At our core, everything we do is for the benefit of our students. We love seeing their growth and celebrating their successes. Your child's well-being and academic achievement are our top priorities, and we are here to support them every step of the way.

Thank you for your continued involvement and support. Let's work together to make this semester a successful and rewarding one for all our students.

Warm Regards,
Deordre Adams, Principal
Savoy Middle School Campus

In this Month
