COLUMBIA HEIGHTS PUBLIC SCHOOLS

CREATING WORLDS OF OPPORTUNITY FOR EACH AND EVERY LEARNER — ALL BELONG, ALL SUCCEED —

Dear CHPS Community,

We move into the 2020-2021 school year with some uncertainty due to global events beyond our control. Though we do not yet know what this school year has in store, the health and safety of our students, staff and family members are top priorities. Whatever this school year brings, we will approach it with each of our core values in mind as we continue to create worlds of opportunity for each and every learner.

I want to start by expressing gratitude to the entire CHPS community. Because of your support in the 2014 operational levy, we were better prepared for the distance learning period last spring due to our commitment to personalized learning and technology innovation. Whether it's in a classroom or behind a computer screen, CHPS will continue to offer well-rounded education and opportunities to all of our students from early childhood through graduation, to adult education and enrichment programs. CHPS is your community school district. We are proud to provide comprehensive education with a full range of programs and support with core subjects, career and technical education classes, world languages, connections to the natural world, free college level courses and robust arts programming.

Communication and connection between CHPS and families is vital for student success. Parents have many opportunities to engage with their child's school and communication can be facilitated through a variety of tools including the District website, ParentVue, Seesaw, newsletters, social media and more. We encourage families to stay connected with the schools and the District! Check out the Communication section on the Back-to-School Information page.

While we are in the midst of trying times, the CHPS students, staff, families and community have demonstrated great resilience in our caring communities. Through continued collaboration, mutual respect, listening to one another, hard work, we will thrive during the 2020-2021 school year. From our budding artists to our student athletes, future engineers, and young authors, the Hylanders will no doubt take us to amazing heights.

Hylanders Have Heart!

Sincerely,

Zena Stenvik, Superintendent

Back-to-School Information

This page of the calendar is replacing our previous Back-to-School guide! You can find more information on each of these subects on the District website and in the Student Rights & Responsibilities Handbook that will be distributed at the start of the 2020-2021 school year.

ENROLL NOW

Educational Benefits

CHPS offers educational benefits to qualifying families including free and reduced price meals. These benefits can help both your family and your school!
Fill out the application today at colheights.k12.mn.us/EdBenefits.
For more information, call 763.528.4520.

School Safe Zones

All CHPS sites are designated as "safe-zones" by the Minnesota State Legislature. This means there are increased penalties and stronger sentencing guidelines for those convicted for the sale, use and/or possession of illegal drugs or dangerous weapons within 300 feet, or one block, of any Columbia Heights Public Schools property line.

Emergency Weather Closings

CHPS has an established process for closing schools during extreme weather. School closings are announced on KARE11 (channel 11), WCCO (channel 4), KSTP (channel 5) and Fox 9 (channel 9). Families also are notified by automated telephone calls to homes, emails, the District website, Facebook, Twitter and Instagram. Please note if none of the above are activated, school is in session. ***Tip: Look for the "Weather Alert" graphic on the web.***

Immunization Records

Students entering elementary and secondary school for the 2020-2021 school year must meet the Minnesota State Law immunization requirements (121A.15, subdivision 1). Students must show they have had the required immunizations or file a legal exemption with the school.

Enrollment

CHPS serves learners from birth through adulthood. Our goal is to provide our students with the skills, knowledge, tools and support they need to excel both in and out of the classroom and to provide them with a strong foundation that will ensure further success in life.

We are here to assist new students and families with the adjustment to a new school, community, and possibly a new country. CHPS serves the communities of Columbia Heights, Hilltop and the southern third of Fridley. Families outside of this area may apply for open enrollment.
Enroll your student today at colheights.k12.mn.us/Enroll.

School Supplies

Lists of supplies students need for the 2020-2021 school year will be made available at ***colheights.k12.mn.us/SchoolSupplies.***

Transportation

Drivers and staff are dedicated to providing safe, secure and reliable transportation for qualified students each school day. District bus stops and routes are designed with safety, efficiency, cost and shortest overall ride times. Information on busing is mailed directly to homes approximately two weeks before school starts. Find your student's route information online on ParentVue. Call Monarch Bus Service at 612.843.0118 to report the following: 1) when your child will not be riding the bus; 2) lost and found items; 3) if the bus is more than five minutes late. CHPS provides school bus service to all PreK 4 and kindergartners enrolled in CHPS who live within their elementary school boundary area. ***For more information, call 763.528.4424.***

Communication

CHPS is committed to providing timely and effective communication across multiple channels. The District uses Blackboard emails and all-calls to keep our families up-to-date on important information. The District also maintains accounts on Facebook, Twitter, Instagram, YouTube and LinkedIn to provide relevant information. Schools utilize additional platforms like ParentVUE and Seesaw to communicate with families. We encourage all families and community members to subscribe to the District's HylanderCONNECT emails to stay connected on all things CHPS from press releases to important announcements.
