SUBJ: ACTION ITEM (Inclement Weather Make-ups)

Due to the inclement weather we have experienced recently, we propose the following calendar adjustments. This will require your approval because we are requesting that a day be waived.

- January 22nd: Forgive this day because we meet the instructional hours
- January 23rd: Turn May 2nd into a full day of instruction

I recommend the approval of these changes so we can minimize impacts to the existing calendar and publish them for the convenience of our communities in making plans for attendance. I am available to answer any questions you might have.
