SUBJ: ACTION ITEM (Strategic Plan Worksession)

As we begin working on the next iteration of our Strategic Plan, I would like to propose a work session with the Board to collect input into the development of this plan. It is our 5-year plan for district improvement and your input is valuable to the process. I would like to propose the following options for a work session:

- February 13, 2025 – Meeting can begin at 5:30 pm
- February 20, 2025 – Meeting can begin after the School Board visits to schools at 1:00 pm
- February 20, 2025 – Meeting can begin at 5:30 pm

I recommend the approval of one of these options to begin the process of developing our plan to guide the district over the coming years. This is a change in process that I feel will benefit the district due to your guidance being very important for our operation. I am available to answer any questions you might have.
