Dear ROTC Cadets,

Congratulations! You have made a prudent decision to be a member of an outstanding organization. The standards and expectations set forth in the ROTC program will challenge you to be a good student, dependable leader, and a responsible citizen. Grounded in the Air Force core values -- *Integrity First, Service Before Self, and Excellence In All We Do* -- the WMHS AFJROTC program is dedicated to developing citizens of character. You, along with your fellow cadets, are a wonderful source of pride on our school campus by demonstrating discipline and teamwork on a daily basis. As you journey through this school year, it's our wish that you would cherish those virtues that are intentionally taught in our ROTC program. Always cling to the respect, integrity, and responsibility which are honorable components of your unit. Your instructors stand ready and willing to ensure that our next generation is prepared for the difficult tasks ahead. I pray that you would be determined to stand with "Clear Eyes and Full Hearts", resilient in your efforts to make an impact on your fellow cadets, our school, our community, and our nation.
