

Brockman Elementary School Pick Up Procedures

Please do not attempt to pick up students in the back parking area at dismissal. This area is reserved for buses and daycare vans.

Tips for a safe and smooth end of the school day:

1. Hang your car tag in a visible location on your dash on the passenger side of your car
2. Your child will be called from the school when we see your car tag.
3. Your child will enter the car on the passenger side when you are alongside the sidewalk.
4. Wait patiently and do not pass cars in the line, even if you already have your child.
5. If you must park, cross the lot **ONLY** at the crosswalk.
