

# PROJECT GRADUATION

# 2025

## MAIN EVENT

**Dear Parents,**

The 2024-2025 school year is progressing rapidly, and before we know it, the graduation ceremony for Shawnee Mission South will here—just like that!

For over 30 years, **Shawnee Mission South** has organized an exceptional event for our senior class known as **Project Graduation**.

This exciting celebration focuses on providing a safe and enjoyable environment for our seniors following the graduation ceremony, and this year, we will be hosting the event at **Main Event** in Olathe.

However, this celebration comes with a significant expense, **totaling \$25,000**, and it heavily relies on the support of our incredible school community.

We invite you to assist us in sustaining this cherished tradition. Your generous contributions to the **Project Graduation fundraiser** will help us keep ticket prices affordable. Every senior deserves the opportunity to participate in this memorable event, and your support makes that possible! 🎉
