

CANVAS

STUDENT ANNOTATION

Great for typing in smaller boxes.

Enter down to the next line to force a text box to be a certain length.

Fullscreen

View the document in fullscreen to give you more room to work.

Text Size and Color

Adjust the size and color of the text to be different than the document to easily see your answers.

Change the color and drag to highlight the text.

Click the comment button to add a comment to the highlighted annotation.

Comment annotation - Great for leaving long comments in a smaller space. Place where you want to start the comment. Change the color of the icon to stand out. Press enter to save your comment.

Area annotation - Leave a comment for a large area. Drag the area around the area and a box will appear. Change the color and add a comment. Press enter to save your comment.
