## Personnel:

- District 99 Building Supervisor is necessary at all Group A, C, and D rentals as well as indoor Group B rentals. This supervisor will open the facility and monitor use but is not responsible for supervising individuals within the rental event. Rental organizers are responsible for supervising their own groups.
- Custodian(s) will be brought in towards the end of the event to clean and prepare the facility for school use. A custodian will not necessarily be present during the event unless requested and contracted for their time. Rental groups will be responsible for messes and emergencies.
- Pool Supervisor and 2 lifeguards are necessary at every pool rental.
- Auditorium Manager will be present at large auditorium events.
- Auditorium Crew Tech, one for lights and one for sound are required at auditorium rentals.
- Trained D99 staff members are required for any digital scoreboard use.
