FROM THE PRESIDENT'S OFFICE

Dear Alumni and Friends of DeMatha,

The Office of the President entails many responsibilities, and one of the most enjoyable is writing a letter to all members of the DeMatha community for the Red and Blue. It gives me the opportunity to voice our gratitude to everyone, to identify the needs of the school and to ask that everyone participate in the life of the school. This regular communication enhances our belief that we are all in this together. This edition lists all the donors to the school during the past fiscal year, along with our profound gratitude.

As most of you know, I am completing my duty as president on December 31, 2024, so this will be my farewell letter as president. I have mixed feelings of joy in fulfilling an important task and sadness in that I will not be communicating with so many wonderful people in the same way as before. However, I rely on your love of the school's mission to continue supporting our various projects.

I am asking that you continue to assist DeMatha to the best of your abilities and to welcome Fr. Albert as he assumes his role as president on January 1, 2025. You will find in Fr. Albert a dedicated and talented priest who also believes in the school's mission to educate young men in the Trinitarian tradition and to produce Faith-Filled Gentlemen and Scholars.

Many thanks for all that you have done during my administration, and I assure you that you and our family will remain in my prayers as I embark on a new ministry beyond DeMatha.

Go Stags!, and God bless all of us. St. John de Matha pray for us.

Fr. James R. Day, O.S.S.T.
PRESIDENT

On Saturday Jan. 4, 2025, 2 to 5 p.m. in the Antler Room, we will host an open reception for Father James to thank him for his 28 years of service to DeMatha. Father James, who will step down as DeMatha president Dec. 31, will address the gathering at 3:30. Admission is free. Contributions to the Father James Day Scholarship are encouraged but not required. For planning purposes, please let Teresa Farrell know if you plan to attend (tfarrell@dematha.org).

FROM THE CHAIR OF THE BOARD OF DIRECTORS

To the DeMatha Family,

On behalf of the DeMatha Catholic High School Board of Directors, please accept our welcome and best wishes for an outstanding 2024-25 school year. To our freshmen, transfers and new parents and grandparents, welcome to DeMatha. At DeMatha, we take pride in being a unique brotherhood, and our new families will soon learn why we say, “there are 38,000 high schools in the United States, but there is only ONE DeMatha!”

Because of the excellent leadership of Father James Day and Dr. Daniel McMahon '76, I am happy to report that the school is starting the year on very solid financial footing. Classes, extracurricular activities and winter sports teams are well underway. Our current enrollment is excellent, and I know the administration is expecting great things from our large freshman class. As I look toward the future, I am excited for the Cross Center to be completed so our young men can take advantage of this state-of-the art engineering, arts and robotics facility. While attending our recent varsity football defeat of Gonzaga, I was very impressed with the school spirit, class and camaraderie of our players and students that fine day.

Our teachers and staff have been the bedrock of the school for decades, and the current faculty is no exception. On behalf of the Board of Directors, I want to say “thank you” to our teachers for delivering on our day-to-day mission of educating Faith-Filled Gentlemen and Scholars the DeMatha way. Just last week, I was speaking with an alumnus who told a heartfelt story of how a DeMatha teacher changed the trajectory of his life. His recollection

demonstrated the potential of what high school educators can achieve, and reinforced the power our past and current teachers have in shaping young lives.

I am proud to say that our community gives back, represented by more than \$3.6M of donations received during the last fiscal year, with over \$4M of annual scholarships awarded to current students. So, a huge “thank you” to our donors; you are vital to the success of the school. All the great things going on at DeMatha would not be possible without you.

With his pending retirement at the end of the calendar year, I would like to thank and recognize Father James for his exceptional leadership over the last six years as school president, and for his 28 years of tremendous service to DeMatha. His focus, dedication and belief in DeMatha has been an inspiration to me and many others he has worked with during his career. When you spend time with Father, you realize that this is not his “job.” DeMatha has been his life’s work, and he loves the school as much as anyone you will ever meet. DeMatha is on very solid ground today because of Father James, and I know that all our staff and volunteers look forward to continuing the momentum he has been building as we enter the next phase of our prestigious history.

One DeMatha!

Tom Kane, '86
Vice President and Board Chair

The Annual Report Of Gifts

July 1, 2023 – June 30, 2024

The DeMatha Community gratefully recognizes the monetary contributors to DeMatha Catholic High School during the 2023-24 academic year. If we have inadvertently omitted your name or if you have corrections or questions, please notify the Advancement Office at (240) 764-2222 or email tponton@dematha.org. Thank you for your support of DeMatha Catholic High School.

Donna Davis, Tam Hoang

CELEBRATE 20 YEARS AT DEMATHA

Donna Davis, administrative assistant to the president, and Tam Hoang, facilities manager, recently celebrated their 20th anniversaries at DeMatha. Let's get to know them a little better.

Donna, what do you like best about working here?

The people. I've made many friends over the years, and I never tire of witnessing their awesome dedication and thirst for knowledge. The students are a joy to see grow up – physically, spiritually – and become accomplished men.

Do you have a favorite DeMatha memory?

Too many to count but one of my favorites was when some legends of DeMatha – John Moylan, Buck Offutt, Lou Amico and Tony Fotos – came together to tell stories. They recounted, in their own words, history in the making. We've also had many strong women who have helped to solidify our grand school. They too have been my mentors and role models.

Tell us about your family.

I'm the youngest of four girls. We lived in a two-bedroom apartment in Mt. Rainier before my parents moved us to the country – all the way to Greenbelt. My sisters all married their high school sweethearts, so I was blessed to call my brothers-in-law my brothers. Bob and I met in 1982, married and raised our son, Jesse, in College Park. When my parents passed, we moved into the house I grew up in, going full circle. Jesse graduated from DeMatha in 2007. He and his beautiful wife, Catherine, have gifted us with our grandson, Ace. My family means the world to me.

Tam, what do you like best about working here?

The people I work with are all very helpful. I appreciate them letting me know when something needs to be repaired, especially if it's a safety issue. I learned the most from my first job and got many insights related to industry. I don't feel pressure to work around school, but I believe that being around professionals motivates me.

Do you have a favorite DeMatha memory?

I love to help all the teachers and staff with repairs so they don't have to worry about it. That way, they have more time to help the students. I love to help them with whatever they need because they're the head of the students. So, if they need something fixed or moved, I like to come over right away to help them.

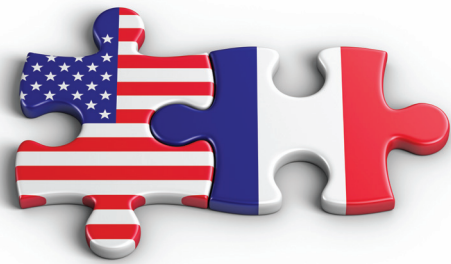

Tell us about your family.

I have five sisters, four in the United States and one still in Vietnam. Three of my brothers are here, and two are in Vietnam. They're all married. My wife, Hoang, and I got married in 1995. She's also Vietnamese. Our son, Nicholas, went to school at DeMatha and graduated in 2016. Our daughter, Isabelle, graduated from Elizabeth Seton in 2019.

DeMatha Accueille des Étudiants Français

(DeMatha Welcomes French Students)

The story of how a group of French exchange students came to spend 11 days in the United States as guests of DeMatha begins in Morocco.

Father Josh Warshak, DeMatha campus minister, explained that while attending the inter-Trinitarian pilgrimage to Spain and Morocco in 2022, he met Trinitarian Bishop Aldo Berardi, who heads the pontifical territory of Northern Arabia.

While sitting in the lobby of a hotel in Fez, Morocco, Bishop Aldo mentioned that when he was stationed in Cerfroid (pronounced sair-frwa), the region in France where St. John de Matha founded the Trinitarian Order, he learned about St. Joseph School in Château-Thierry. (The school is about a 30-minute drive from Cerfroid.)

Bishop Aldo said he thought it would be great if DeMatha and St. Joseph had an exchange program. And after much planning between DeMatha's soon-to-be president, Father Albert Anuszewski, Father Josh and St. Joseph leaders, 16 French students and three chaperones arrived at DeMatha on Sept. 18.

The 13 girls and three boys stayed in pairs with each of the eight DeMatha host families. The students all spoke English to varying degrees. Lisa Chevalot, a 10th-grader, spoke English the best. She said she enjoyed visiting the United States and meeting new people.

"It was really great, and I think everybody feels the same," Chevalot said. "We all had so much fun and saw so much. My host family was great."

On their first full day here, the students attended Mass in the DeMatha chapel, went to a couple classes, had lunch in the Antler

Room and were treated to the French national anthem – "La Marseillaise" – and other songs by Mr. Jim Turk and the Voices of DeMatha.

The students later saw several sights in Washington and Baltimore and worked at a soup kitchen. "We wanted the kids to see that America, as wealthy as we are, struggles with the injustice of poverty," Father Josh said. "Homelessness is an issue that is ignored by many people. So, it's up to churches and charitable organizations to care for our homeless brothers and sisters.

"The students responded very well."

The second leg of the journey took the youngsters to the National Shrine of Elizabeth Ann Seton in Emmitsburg, Md., the Gettysburg (Pa.) Battlefield, Independence Hall in Philadelphia and sightseeing in New York, including the Metropolitan Museum of Art. Another museum visitor that day was former U.K. Prime Minister Boris Johnson.

Chevalot said she enjoyed New York the most: "It was great to see all the tall buildings, shop there and see Times Square, the Empire State Building and the 9/11 Memorial. That was sad but good to see."

St. Joseph English teacher Nathalie Morier said she was pleased to learn how much France helped America gain independence from England: "I'm proud to know that Americans remember that France contributed to the founding of this democracy."

Plans are now underway to send a group of DeMatha students to France in spring 2025.

"Our goal," Morier said, "is to make this program last for years."

Contributing to a Healthier Chesapeake Bay

In early October, about 60 DeMatha students were caught making a big mess behind the Antler Room. But they didn't get into trouble. They were building concrete reef balls to help restore oyster habitat and other marine life in the Chesapeake Bay.

The event was part of the Coastal Conservation Association (CCA) of Maryland Living Reef Action Campaign.

"The beauty of our flagship initiative is that we're giving students ownership of the resource and letting them know that they can have a direct impact on the restoration of the habitat within the bay," said Jesse Howe, assistant director of CCA Maryland.

Howe explained that one of the biggest benefits a robust oyster population brings is in cleaning the Chesapeake of impurities.

"We don't know the exact number of gallons of water an oyster cleans per day, but it is substantial," Howe said. "I tell people more oysters are a good thing; they lead to a cleaner, healthier bay."

Howe said oysters, whose numbers have been greatly depleted in the Chesapeake, are the foundation of a healthy bay ecosystem.

"They attract other animals such as bay anchovies and crabs, and barnacles start to grow," he said. "And with that growth, life flourishes and brings in your bigger predator fish like bluefish, red drum and our state fish, striped bass."

Howe and the CCA Maryland Annapolis Chapter, including volunteer Rich Kuhlman, coordinated the event along with the DeMatha Fishing Club; staff members Tam Hoang and Paul

Pham; and teachers Andrew Travers '11, Caroline Tatnall, Remi Jones and Rich Blorstad '10.

"The reef build provided us with an excellent opportunity to educate our students on the importance of conservation in our rivers and the Chesapeake Bay," Travers said. "Our guys love being involved and active. This project allowed them to step out of their comfort zone and do something that makes an immediate impact in creating bay habitat."

The students had to assemble the reef ball forms, mix the concrete and shovel it into the forms. A buoy was added to the middle of each structure to reduce the weight. Even with this addition, the final reefs weighed about 250 lbs. each.

The 19 reef balls the students constructed were picked up and allowed to harden for at least six months before being dropped in the Chesapeake. Howe said they typically are placed in about 20 to 40 feet of water and relatively close to land.

Shoreline protection through wave buffering is another major benefit of artificial reefs.

"These reef balls are also used as a living shoreline," Howe said. "What we need to do, as a state, is make sure that we are putting some blockages up to prevent that erosion and depletion of the soil from the shorelines."

Howe encourages students to do their part to promote healthy marine ecosystems.

"We're excited about potential future projects for DeMatha to be directly involved in Chesapeake Bay conservation," Travers said.

Football Wins WCAC Championship

DeMatha's 2024 football season didn't get off to a good start. It couldn't have ended any better.

On Nov. 24 in Annapolis, the Stags captured the WCAC Capital Division championship with a 16-7 victory over Good Counsel. The game epitomized team play as DeMatha (10-1) bested the Falcons (7-5) on offense, defense and special teams.

"It was the ultimate team win," Stags coach Bill McGregor said. "We always talk about the importance of those three phases of the game."

After forcing a three-and-out, DeMatha needed just three plays to strike first on a 45-yard touchdown pass from senior Denzel Gardner to junior Lavar Keys. The defense followed with a goal-line stand, and senior Alex Amaya punctuated an 84-yard drive with a 22-yard field goal to make it 10-0 in the second quarter.

Amaya nailed two more field goals, including a career-long 49-yarder and a 20-yard effort to put the Stags up by two scores with 1:09 left in the game. Their final drive took four minutes and 38 seconds off the clock.

"Defensively, we really rose to the occasion," McGregor said. "Offensively, we did what we had to do."

Senior Bud Coombs, who rushed for 135 yards on 14 carries, got his first taste of ultimate victory after losing the previous two title games.

"We really wanted this one," Coombs said. "It means so much to finally win the championship."

DeMatha lost its opener at Spalding, 26-10, before reeling off 10 straight victories. The first big win, 49-12, came in Philadelphia against Roman Catholic, one of the top teams in Pennsylvania. Things were even tougher the following week when the Stags beat one of the nation's top programs, Washington High, 20-14, in Massillon, Ohio.

Those games prepared DeMatha for the rigors of the WCAC, which included road victories at Gonzaga, 28-14, and St. John's, 31-15. The Stags didn't play a home game until Oct. 18 – a 35-7 triumph over Good Counsel – because the Wilson Stadium turf field was being replaced. They followed with home wins vs. McNamara, 37-0, and St. John's in the WCAC semifinals, 42-6.

Gardner, honored as WCAC Offensive Player of the Year, finished his career with a school-record 37 victories as the starting quarterback (37-8, .822).

"I thought it was a great year all the way around," said McGregor, who has led DeMatha to 18 of its 25 Catholic league championships and was named WCAC Coach of the Year.

SOCCKER

The soccer team (9-7-2) advanced to the WCAC championship for the first time in seven years with a 2-0 victory at No. 5 O'Connell. The Stags also toppled then-No. 1 The Heights, 2-1, and tied 2023 Maryland 4A state champion Leonardtown, 2-2. DeMatha has posted a winning season 30 years in a row. Senior Jenovic Elumbu (11 goals) and junior Muma Ndi (5) were the Stags' leading scorers.
