

Pepperell Primary School

You may join your student for lunch by booking a lunch appointment on our school booking calendar. If an **available** time slot falls within your child's lunch time, you may select that time slot and then arrive during your child's lunch. If **no available** time slot falls within your child's 30 minute lunch time, please select a different day to attend.

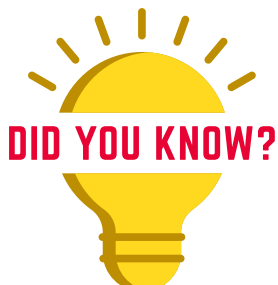

Directions:

1. Click on your student's grade level to book a lunch appointment.

2. Select a date and a time that falls within your child's 30 minute lunch period.
3. Fill out the booking form with your email address. You may be prompted to check your email for a PIN. If so, please enter the PIN on your booking page. Be sure to click Submit.
4. You will receive an email confirmation to remind you of your lunch appointment the day before.
5. Please show up at your child's exact lunch time on the date that you booked.

All lunch visitors will need to sign in at the front office with your state-issued ID.
