

About MNTC

Established in 1972, MNTC has gained a national reputation as a premier technology center. It is one of 29 technology center districts in Oklahoma's globally-recognized career and technology education system. MNTC has two campuses to serve the communities of Moore, Norman, and south Oklahoma City. They are identified as the Franklin Road Campus (Norman), and the South Penn Campus (south Oklahoma City). MNTC offers affordable, quality technical training to career and college-bound high school and adult students, as well as customized training for workforce and economic development.

Mission Statement

Preparing for success, changing lives, building better tomorrows.

Named a 2021-2022 Great Place to Work based on employee survey responses about culture and leadership.

Funding Sources

90.2% Local \$36.7 million

This funding comes from property taxes, tuition, and other local sources.

6.7% State \$2.7 million

Most of this funding comes through the Oklahoma Department of Career & Technology Education, which allocates state funds to the local technology centers.

3.1% Federal \$1.2 million

Almost two-thirds of federal funding passes through MNTC as financial aid payments to students. The remaining funds are provided in the form of grants for education and training programs provided for clients.

100%

of Workforce & Economic Development clients would recommend MNTC to others.

Education and Community Partners

Moore Norman Technology is proud to serve the communities of our district in Moore, Norman, and south Oklahoma City. When we actively partner with our local businesses and organizations, we are able to work together to grow a stronger workforce, a stronger economy, and stronger ties to individuals and families.

Below is a small example of some of our education and community partners:
