About MNTC

Established in 1972, MNTC has gained a national reputation as a premier technology center. It is one of 29 technology center districts in Oklahoma's globally-recognized career and technology education system. MNTC has two campuses to serve the communities of Moore, Norman, and south Oklahoma City. MNTC offers affordable, quality technical training to career and college-bound high school and adult students, as well as customized training for workforce and economic development.

Moore Norman Technology Center is building Oklahoma's workforce by producing a pipeline of highly skilled workers for in-demand jobs.

Funding Sources

LOCAL 90%
This funding comes from the ad valorem tax on property, tuition, and other local sources.

STATE 5%
These funds are collected through the Oklahoma Department of Career & Technology Education, and the agency allocates state funds to the local technology centers.

FEDERAL 5%
The funds are provided in the form of grants including Carl Perkins, Tech Prep, Department of Human Services, and education and training programs provided to clients.
