\$ 11,880,960

Narrative: In the space provided, summarize your entity's recent efforts to increase transparency in the area of Contracts and Procurement. Be sure to:

- a) Provide explanations for any terminology that appears in the summary.
- b) Describe any benchmarks, standards or best practices your entity uses to gauge its progress in this area.
- c) Detail any historical analysis used to track efforts to improve transparency in this area.

During the 2023-24 school year the purchasing department started using the Ionwave software program for all invitations for bids or request for proposals. This allows the District to be more effective and efficient in publishing the notices and receiving the responses. Also, it provides better internal controls on following prescribed processes and procedures.

Note: To complete your application, see the specific criteria page for the Contracts and Procurement Transparency Star which details visualizations, documents, downloadable data and other required information.
