Student ?

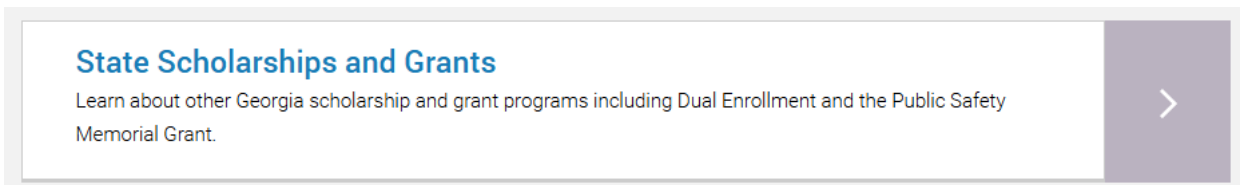

Go through the steps to create an account – you must fill out everything that has a red asterisk * beside it. Make sure to use your personal email address. DO NOT USE YOUR SCHOOL EMAIL ADDRESS.

STEP 2 – Sign up for Dual Enrollment:

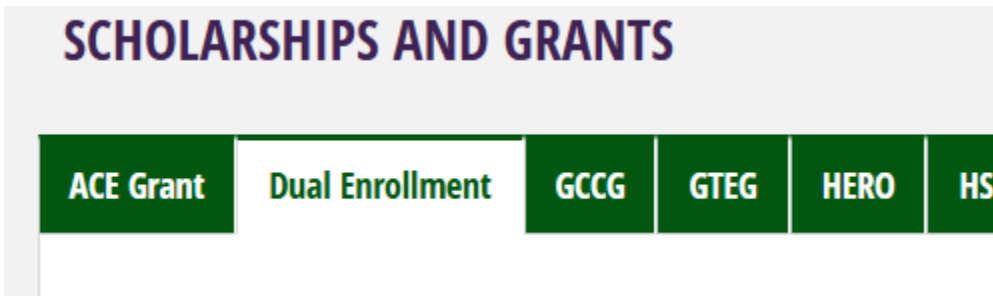

Go to “HOPE and State Aid Programs”

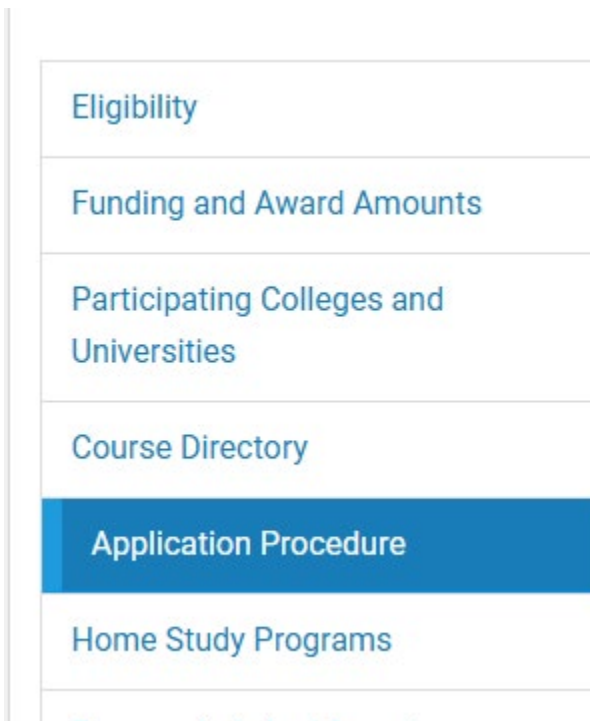

Choose “Scholarships and Grants”

Choose the “Dual Enrollment” Tab

Click “Application Procedure”

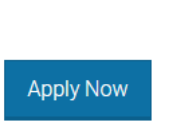

Click APPLY NOW on the right side of the page

Application Procedure for Dual Enrollment

Postsecondary Institution (college) Admissions Application

Students must apply for admission to the postsecondary institution before completing the Dual Enrollment

Fill out the application – make sure that you do the following:

Pick the correct college that you will be attending dual enrollment classes through

Put your parent’s correct email address – they have a step to do too

Make sure your social security number is correct
