Spring 2 Session: **March 24 – May 8, 2025**

DVUSD Pathways Student Contract

Academic Success: Students are expected to make reasonable and steady academic progress. This means students must maintain a minimum of 55% each week of enrollment in the grade book. The student agrees to have their learning tools (ex: pen, pencil, iPad, and charger) with them during class. Teachers are allotting time during the block schedule for students to complete assignments, quizzes, unit tests, projects, presentations, etc. **DVUSD Pathways' teachers will not accept any late or missing coursework after Thursday evening of Week 6. There are no "early" finals. No credit will be awarded to students who fail to attend class on the final assessment day.**

Attendance: Attendance is a critical component of academic success. Students are expected to be in their seats by 3:00 pm or 6:00 pm for their scheduled block. Students may accrue 2 absences per enrollment period without penalty. Students who accrue a 3rd absence may be withdrawn from the program. A student may file an Appeal of Withdraw should a 3rd absence be accrued in a class. **An absence is a "No Show" or a tardy greater than 10 minutes.** Our program does not have excused absences.

Academic Integrity: Each student confirms ALL tasks designed to demonstrate academic mastery is the student's original work. Student(s) who submit work that is not their own, similar to their classmate, artificial intelligence, or plagiarized will receive a zero for the assignment. Students may be subject to disciplinary action. Please refer to the DVUSD Rights & Responsibilities for the next steps with respect to this violation.

Grades: Students begin each Pathways session with 0% in the grade book. Grades are cultivated through classroom participation and various academic activities to demonstrate mastery of content. Students who opt to discontinue enrollment prior to the last scheduled day of enrollment or are dropped after Week 2 of our enrollment will receive a WP, WD, or F on their transcript. Students who leave the program during:

Week 1-2	No transcript notification
Week 3-5	Transcript will reflect a "WP" or "WD"
Week 6-7	Transcript will reflect a letter grade of "F"

Classroom Expectations: Each student agrees to create a positive learning environment free from distractions. iPads or Chromebooks will be fully charged prior to the start of class. Classroom technology is for the sole purpose of learning within the guidelines of the classroom content and teacher direction. Cell phones are to be on "silent" or "off" and stored in student backpacks to ensure no distractions during the learning process. Students may utilize cell phones during the scheduled classroom breaks. Students using technology for non-academic purposes will be considered off-task. DVUSD dress code expectations apply to DVUSD Pathways. Please refer to the DVUSD Student Rights & Responsibilities to review the dress code.

Classroom Safety: Students pledge to create a positive classroom environment and refrain from derogatory comments, profanity, providing unwanted attention, etc. Food, and drink, other than bottled water, are not allowed in the classroom. Student personal items that distract from the learning environment are to be secured in the back of the classroom (ex: hand-held gaming systems). DVUSD Pathways is a drug/smoke/vape/weapon-free campus. This extends to campus parking lots, streets, and sidewalks. *Please note: Once class begins, students are required to remain in the building until class dismissal to promote safety and security. Pathways students providing access to the building or classroom to persons not enrolled in Pathways is a violation of safety and security. Students who leave the building during scheduled class times may be removed from the program.*

DVUSD Pathways is a **"choice"** program.
