### **Treasurer's report**

<https://drive.google.com/drive/search?q=ridgeway%20ASC%20treasurer%27s%20report>

### **New Business**

Rollover Money from 23-24

\$1,631 in rollover money carries over ... Discussion of where to put it. Tregnago motions to put carried forward balance into principal's account. Horn Seconded  
Motion passes unanimously

Discussion of ASC funded position. Tracking minutes by students for Instructional Aides. Subs. Collecting data for secretarial position. Create a form that gathers experience responses from staff about each position category. Ask staff in positions to help track hours, etc. Parent communication has gone up.

Assistant Principal

Interventionists

Attendant Secretary

Media Aide

Home School communicators

Moving forward:

Will develop survey

Gather subfill rate

Update at November meeting

### **School Updates (Principal's Report)**

iready is ahead of schedule - 10% lower than end-of-year numbers in the past.

### **Standing Items**

Facilities: There is no update. Air quality testing was done - almost every room tested 2-3x outdoor levels for mold. Filters were replaced, units were cleaned. Ionizers added to every room. Second round of air quality testing showed massive improvements.

Water testing showed building water as non-potable. Bottle fillers may or may not have filters - so how is that drinking water approved?

Facilities are to be an ongoing priority for ASC. Should not be 30% of Principal's job.

Discussion of various DIY ideas for testing water and air quality in the building

Strategic Planning Subcommittee:

Meeting scheduled for Tuesday Nov. 19th at 3:30pm

Move to adjourn by Sandstedt, seconded by Brinlee

Adjourned at 4:41pm
