WINTER CONCERT

We are thrilled to announce our annual Winter Concert, a celebration of music and community that brings together the talent and hard work of our Blairwood Elementary students. This year, our students have been rehearsing a delightful mix of holiday classics and seasonal favorites, perfect for inspiring warmth and cheer. We invite all families to join us for this heartwarming event, where you'll see how much our young performers have grown both musically and in their confidence on stage.

WORLDS FAIR

As we continue to broaden our students' horizons and cultural understanding, we are excited to host our very own World's Fair. This special event will transport students and families into diverse regions of the globe, showcasing traditions, art, music, and stories that help us appreciate the rich tapestry of cultures within our school community. It's a fantastic opportunity for students to learn about the world around them, fostering curiosity, empathy, and a sense of global citizenship.

PRESCHOOL IS IN THE BUILDING

We are delighted to welcome our newest learners with the opening of our preschool classrooms! Bright, nurturing, and thoughtfully designed, these new spaces will support our youngest students as they embark on their educational journey.

By engaging them with hands-on learning and play-based activities, we aim to spark their natural curiosity and lay a strong foundation for their future success at Blairwood Elementary and beyond.
