Hays STEAM Academy Parent Policy 2024-2025

PARENT & FAMILY ENGAGEMENT (PFE) PROGRAM

What is it?	We are committed to our vision: Hays STEAM Academy hosts a community of diverse scholars who demonstrate exemplary personal character and social responsibility through intellectual, emotional, and physical excellence. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title 1, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title 1 funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
Family Meetings	Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the cafeteria. You can enter through the main entrance @ 1101 East Monahans. The information is the same for both coordinating meetings and will be offered both in person as well as virtually via Facebook Live.
How to be involved	Become a member of the PTA or VIPS program by completing the attached application.
Family Trainings/Activities	Family trainings are opportunities for family members to come learn new knowledge and skills from other parents, community members, and educators. The schedule and locations listed below are subject to change. Any changes made will be communicated via the call out system, emails, and on our school website.

Curriculum	Hays STEAM Academy utilizes high-quality curriculum that supports student success.			
Forms of Academic Assessments	Hays STEAM Academy has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.			
Expected Achievement Levels on academic assessments	<p>The State’s Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/taar/taar-performance-standards.</p> <p>Hays STEAM Academy tracks each child’s growth throughout the year via local assessments (mentioned above). Each child has data trackers where teachers help them track their own learning growth.</p>			
Ways to Request Regular meetings	Parents/Guardians may bring any suggestions, ideas, or concerns to the monthly parent meetings listed above. However, if they need to meet with the administrators or their child’s teacher at another time, they can email that individual person. We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome.
