

Warrants and Subpoenas that May Be Used by Immigration Enforcement Officers

This document is intended to assist school site administrators in identifying the types of authority that may be provided by immigration officers making requests for access at school sites. It is not intended as legal advice.

Guidance on responding to federal warrants, Immigration and Customs Enforcement (ICE) administrative warrants, administrative subpoenas, federal judicial subpoenas, and court orders can be found in the [California Attorney General Guidance and Model Policies to Assist California's K-12 Schools in Responding to Immigration Issue](#), pages 25-27.

Annotated samples of these authority types are provided on pages 2 -5 of this document.

Consult with the local educational agency (LEA) legal counsel before using this document with staff.

1. This document is not intended as legal advice. LEAs should work with their legal counsel to adopt written procedures for responding to each authority type.
2. These procedures should anticipate and provide guidance for circumstances which could require site administrator to act before being able to consult with the superintendent/designee or legal counsel. Some of the possible scenarios include:
 - a. An immigration officer asserting that they are unwilling to wait for the site administrator to contact the LEA's superintendent/designee and/or legal counsel before acting on a federal warrant.
 - b. An immigration officer asserting that they have the authority to act immediately without providing proper evidence of that authority and without declaring that exigent circumstances exist.
 - c. The presentation of a federal search and seizure warrant that includes one or more of the following errors:
 - i. The name of the person to be searched is not correct
 - ii. The address of the location to be searched is not correct
 - iii. The warrant is presented after the date by which it was required to be executed
 - iv. The warrant has not been signed or does not indicate that it was signed by a judge or magistrate judge.
 - d. The document or court order that is provided does not match those described in this document.
 - e. An immigration officer is intent on using a federal arrest warrant to arrest a suspect on campus while school is in session.
