Dear Parents & Guardians,

We would like to take this opportunity to remind all families that school buses may experience delays in difficult weather conditions, including high winds. While we recognize that weather-related delays can be inconvenient, the safety of our students is our top priority.

Please be assured that we are doing everything possible to ensure that buses operate on time, as weather conditions allow. In these challenging conditions, we ask that you reinforce the importance of proper behavior and seating on the bus. This is particularly crucial during inclement weather, as it helps ensure the safety and comfort of all students riding the bus.

Additionally, in the event that a bus must stop temporarily for safety reasons, please understand that a brief safety stop of 5 to 7 minutes may lead to delays of up to 30 minutes, depending on the circumstances.

We appreciate your understanding and patience as we prioritize the safety of all students.

Thank you for your cooperation and continued support.

Natasha Domes
