Call to order		

Trustee Stith for the record "In the course of the high school principals removal, I have asked the Superintendent and the President of the Board for full notes in regards to his termination, and I have yet to received it, as a Board Trustee, I'm entitled to read those notes prior to voting, so it's to be discussed in executive session when we meet next week, I would like a full review in executive session, that we stay in three hours, to be able to review those notes, so that way the Board can be aware as to what took place to lead to the termination, and if that's too much to ask for, whatever, too bad, I'm asking for it".

The Board continued to review the agenda
