"Bridges of Ouachita" Homeless Education Assistance Program abides by federally mandated policies to ensure that homeless children and youth have access to free, appropriate public education on the same basis as children and youth with established residences. Laws, regulations, practices, or policies should not act as barriers to the enrollment, attendance, or school success of homeless students. (Federal Law: Title VII-B; of the McKinney-Vento Homeless Assistance Act; 42 USC 11431 at seq.) (State Law: LA. RS. 17.238/Public Law 107-110, No Child Left Behind Act of 2001; BESE Policy: 1.012.00 — 1012.05 and 2.012.00 — 2.012.04.

Definition of Homeless or "Highly Mobile" Individual...

The Stewart B. McKinney Homeless Assistance Act (P.L. 107-110) defines the term *"homeless person"* as one who lacks a fixed, regular, and adequate nighttime residence and who has a primary nighttime residence that is:

- Displaced due to a natural disaster
- A shelter/transitional housing
- The streets, cars, abandoned buildings, campgrounds, etc.
 - An institution that provides a temporary residence for individuals intended to be institutionalized
 - A residence with substandard living conditions (not fit for human habitation- no electricity, no heat, no running water, no windows/doors, holes in the roof/floor, no way to cook/store food)
 - Two or more families living together in crowded or undesirable living conditions, (doubling/tripling up because they have no place of their own to live where they can safely and healthfully meet their basic needs in privacy and with dignity)
 - Runaway children who have run away from home and live in a shelter or inadequate accommodations even if parents are willing to provide a home
 - Unaccompanied youth
 - In December 2001, Congress made the law protecting the educational rights of those children even stronger by passing the McKinney-Vento Act. It gives children and youth in homeless situations the right to stay in their *"school of origin"* even if they move; enroll in a new school without proof of residence, immunizations, school records or other papers; some transportation to school; go to pre-school programs; get all the school services available; have disagreements with schools settled quickly (Dispute Resolution Policy) and be enrolled in the school for the *"best interest of the child"* while disagreements are settled.

Enrollment: (Bulletin 741, Section 341)

In order to ensure homeless students are being identified and tracked appropriately in our school system, the following procedure is to be followed for enrolling any homeless child residing within our district:

- 1) The person who has the responsibility for enrolling a homeless child in school must contact the District Liaison Supervisor at the OPSS Media Center to fill out a Louisiana Residency Questionnaire for eligibility required by law. *(Forms are also available at each school.)*
- 2) Upon completion of this interview process and signature of the District Liaison, all legal documents will accompany the student/guardian to the school where the child will be attending and completing the enrollment process. Student information will also be sent to the Food/Nutrition Supervisor, SIS Coordinator and Child Welfare and Attendance.
- 3) As a result of this procedure, copies of enrollment process of any homeless child will be filed at the Media Center, the CWA office, school of attendance, SIS office, and Food/Nutrition office.

NOTE: A homeless child may or may not be in the custody of a legal parent or guardian. It is the responsibility of local LEAs to eliminate barriers that homeless youth may face, including revising local enrollment policies to accommodate unaccompanied youth. In the event of natural disasters, which may cause a sudden influx of homeless students locating within our school district, we will make the enrollment of these youth an immediate priority and assist them and their caregivers in *every* way possible to make the enrollment process go as smoothly and quickly as possible.
