Program Goals

- Encourage positive social skills, including cooperation and independence.
- Develop respect for one's own rights as well as the rights of others
- Develop self-expression
- Help the child become self-confident
- Create an atmosphere where learning can be fun
- Help stimulate the child's independent thinking
- Help develop language skills, both listening and speaking
- Stimulate a curiosity about the world
- Help develop problem solving skills
- Encourage independence and self-control

The Preschool Program was established to enhance the child development courses in the

Family & Consumer Science curriculum at the high school. This program serves as a child study laboratory school and provides high school students opportunity to observe and apply what they are learning in theory. A variety of activities will provide learning experiences that will encourage physical, emotional, intellectual and social development. Activities will include arts & crafts, stories, games, exercises, music, songs, learning activities in math, letters and science and free play. Learning will be encouraged through play and developmentally appropriate activities.

Enrollment Requirements

The following requirements must be met in order to have your child enrolled in the Pine-Richland High School Preschool Program:

- Child is three years of age by September 1st & toilet-trained
- Provide transportation to and from preschool
- Agree to arrive and depart promptly at designated times
- Agree to submit a tuition fee of \$225 for each session (fall and spring)
- Cooperate with all rules of the school and the teacher in charge

Our Program

TENTATIVE SCHEDULE

There will be a fall and spring session during the school year. Each session will be 11-12 weeks, three days per week. The program will begin at approximately 9:30 AM and conclude at 12:20 PM. Depending on the high school schedule our preschool time schedule may vary slightly. Any changes will be communicated as soon as possible.

STAFF

Mrs. April Dull is the supervisor of the Pine-Richland High School Preschool Program. She is a certified teacher with a Bachelor of Science degree from Indiana University of Pennsylvania.

High school students enrolled in the preschool class will be working with your child. They must be a sophomore or older and be enrolled in the Child Development/Preschool Education Program. Under the direction of the teacher, these students will plan and implement the learning activities.
