LiveHealth Online

before the first symptom

Because life won't wait for you to feel better

With LiveHealth Online, you can see a doctor 24/7 without an appointment, or a therapist or psychiatrist by appointment, from the privacy of your home or anywhere you have a computer or mobile device with a webcam. Doctors can answer questions, make a diagnosis and even prescribe basic medications when needed. * Best of all, online visits are covered by HealthTrust medical plans, other than Medicomp Three.

For HealthTrust Enrollees and family members covered by most HealthTrust Medical Plans,** your cost is just **a copay of \$10 or less** per visit.

LiveHealth Online provides:

- Immediate doctor visits through live video
- Your choice of board-certified doctors
- Private, secure and convenient online visits

When to use LiveHealth Online

Some of the most common uses include:

- Cold, flu and sinus infections
- Upper respiratory infections, bronchitis
- Migraines
- Family health questions
- Allergies
- Stress, depression, anxiety and other related issues
- Skin issues
