Elementary (1st - 6th grade) parents/guardians are able to see in-progress learning of their student(s) via Infinite Campus. This real-time feedback regarding student learning can be found under the **GRADES** or **ASSIGNMENTS** tab in the Parent Portal.

Under the **GRADES** or **ASSIGNMENTS** tab parents/guardians are able to see feedback under the categories of Practice, Formative, and Summative. These regularly updated grades provide critical feedback regarding student learning and can be used to foster a learning partnership between home and school.

At report card time, parents/guardians can find a final trimester grade under the **GRADES** tab.

What does the assignment title mean?

When looking at assignment titles in Infinite Campus, parents/guardians will see the title/type of assignment and may see a standard number designation. Questions regarding assignments should be directed to the classroom teacher.
