

DECEMBER 2024

MILLER MATTERS

Parents/Guardians,

Thank you for your continued support of our professional development days within Noblesville Schools. These days are extremely helpful to our schools and our teachers in terms of professional learning.

We are quickly approaching the end of the first semester and winter break! Our last day with students in the building is Friday, December 20th. Many classes have end of unit or end of semester assessments on the last few days of the semester, so please make sure your student is in attendance if at all possible.

Semester grades will be finalized over break and virtual report cards will be sent to families during the week of January 6th, 2025. Be on the lookout for an email that will include a link to the report card for your student.

As a reminder, Wednesday, December 18th there is NO late arrival. Monday, January 6th is a teacher work day. Students will not be in the building that day. Students will be back in the building on Tuesday, January 7th, 2025.

Throughout the school year, the cafeteria will be hosting seasonal “Take a Taste” days, where students will have the opportunity to sample a new healthy food dish. The goal of this initiative is to expose students to a wide array of nutritious foods, educate on farm to table practices, and demonstrate the benefits of a balanced diet.
