In the event of an accident or illness, school personnel will try to contact the parents first. If it is serious, 911 will be called and your child will be taken to the closest emergency room for treatment. **YOUR CHILD CANNOT RECEIVE EMERGENCY TREATMENT WITHOUT YOUR AUTHORIZATION BELOW.** My signature authorizes the principal or their designee to take the above-named child to a hospital for necessary treatment and/or consultation. I authorize release of hospital records to any insurance company having insurance in force on the above patient, and assign all benefits from my insurance to the hospital and/or Medical Foundation Group. I agree to pay the full amount due for all costs incurred, including ambulance services.

I grant permission for \_\_\_\_\_ to participate in a field trip to \_\_\_\_\_ on \_\_\_\_\_. I understand the following rules and regulation are in effect during this time: (1) All students must go and return in the same approved vehicle(school bus, truck, etc. or car with an adult in same); (2) A teacher or responsible adult, approved by the principal, will be with the group at all times in the vehicle; (3) All school rules regarding smoking, drinking and behavior will apply during this entire time, and any student that violates these rules will be treated as if it had occurred during school time; (4) The student will be picked up and left at school unless other arrangements are made. The school will assume no responsibility for getting the student to or from home. In the case of a teacher coming to the home to pick up the student, they would then be responsible for taking them back, unless otherwise stated.
