

St. Mary's County Public Schools Impact Aid

SMCPS is heavily impacted by federally-connected students. These students have parents or guardians that work and/or live on federal property and/or are active duty personnel. Due to the impact, SMCPS receives federal grant funds to operate, maintain and enrich our schools and programming. To receive funding, the U.S. Department of Education requires us to survey each student to determine eligibility

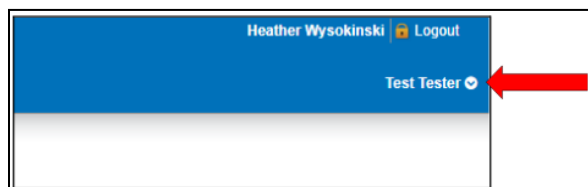

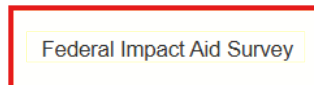

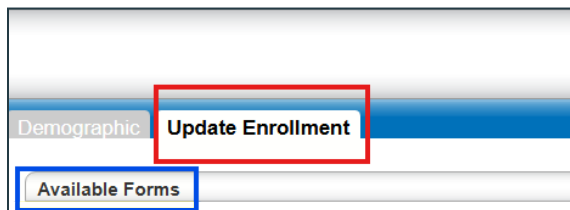

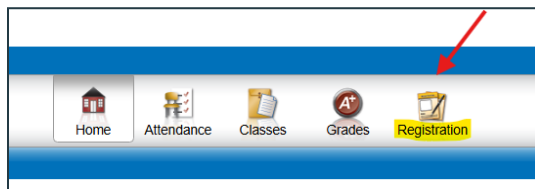

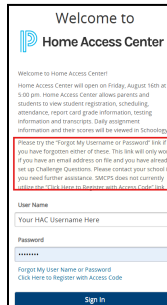

1. [Login to HAC](#). If you have forgotten your HAC passcode, please follow the directions on the HAC login screen to reset your password. You must login using the parent/guardian email address on file for your student(s).

2. Click on “**Registration**”.

3. Click “**Update Enrollment**”.

4. Under Available Forms Choose “**Federal Impact Aid Survey**”.

5. **If you have multiple students**, go to the far right and find your student's name. Click on the down arrow to toggle to your next student(s).

Follow the directions on the screens. Complete the required fields. Please note: You cannot edit student information. This is pulled from our student database. Edits to this information can only be made by contacting your child's school directly.
