

1/31/25

Dear Wyoming Families,

We had a nice week at Wyoming High School. On Tuesday and Thursday students gathered for grade level meetings during Flex. Students received a lot of great information about the scheduling process. We also reminded students of our building expectations as we move through the second semester. This refresher focused on student attendance and the importance of reporting to school on time. Additionally, protocols centered around cell phones, lunch procedures and the usage of Flex were discussed with students. Please continue to talk with your student about the importance of staying focused on their assignments and assessments and reach out if you have any questions - we're happy to help. Thank you for your continued partnership and support. We hope everyone has a great weekend!

Regarding scheduling for the 2025-2026 school year, earlier this evening you should have received a stand alone message with detailed information, documents and everything you need to know about the process. Here is a link to the [Wyoming High School - Scheduling Information for 2025-2026](#) that was shared. Please don't hesitate to reach out if you have any questions or if there is anything we can do to support you and your student(s). Please also keep in mind that we will hold informational meetings for incoming 9th graders on Wednesday, February 12th. We appreciate your continued partnership and we wish everyone a wonderful weekend!

Footloose:

Join Wyoming High School as they go back to the 80's with **FOOTLOOSE!**

FOOTLOOSE is a stage musical based on the 1984 movie filled with Billboard hits like "Let's Hear It for the Boy", "Almost Paradise", and "Holding Out for a Hero". The musical tells the story of Ren McCormack, a high school student who moves from Chicago to a small town with his mother after his father abandons them. Ren finds himself at odds with most of the town, including the local reverend who has convinced the town to outlaw dancing. With the help of Ariel (the reverend's daughter) and Willard (a country boy who becomes his best friend), Ren convinces the reverend to let the teenagers dance, and in turn, he helps the town heal from a tragedy that affected them all. Get your tickets today, and be ready to go back in time to dance and sing along with all your favorite hits!

TESTING

SOPHOMORES & JUNIORS

Save the Date - State/District ACT for all juniors and PreACT for all sophomores will be February 25, 2025.

The State/District ACT is an opportunity for every junior to take the ACT at no cost to their family. Scores from this ACT administration could assist students in earning the [College Readiness Seal](#) for graduation and assist in their college search.

The PreACT provides sophomores with a jumpstart to their college and career planning. By taking the PreACT as a sophomore, students will have the opportunity to get a feel for the content, timing and scoring of the ACT, but they'll also be able to:

- Identify your current academic readiness for college and career using your PreACT score report
- Predict how you'll perform on the ACT after an additional year of learning
- Determine skills you can improve based on your performance
- Explore with PreACT assessment how your career aspirations align with your interests
- The PreACT will be administered online. This is to ensure students have an opportunity to take an online version of the ACT before the ACT makes changes in 2025.

- The State/District ACT will be administered on paper. Our juniors have already practiced the ACT on paper and will continue with that format. Changes to the National ACT will not begin until the end of the junior year. With the new enhancements to the National ACT, students will be able to choose if they will test online or on paper.

For more information on the enhancements coming to the ACT, click [HERE](#).

CAREER EXPLORATION

Wyoming High School and Hamilton County ESC have partnered to introduce LinkedUp Connect – a new online platform that connects students with real-life work-based learning opportunities. Through LinkedUp Connect, students can explore pre-apprenticeships, internships, job shadowing, community service, and more, all tailored to their interests.

These experiences not only prepare students for the workforce but also play a key role in meeting Ohio's graduation requirements. Encourage your student to take advantage of this innovative tool and explore the opportunities waiting for them with LinkedUp Connect!

This year's program is only open to juniors and seniors. If you would like to have access to the opportunities available through LinkedUp Connect please complete the [LinkedUp Connect Parent Consent Form](#).
