Subject: [EXTERNAL] FW: Update Residential Sales Ratios

Good Evening,

I have been asked by my board to include the chair for the governing bodies on this email. I'm recommending/requesting a resolution from the governing bodies asking that we reappraise the seven school districts that are at greater risk of failing the PVS for the 2025 tax year.

Please let me know if you have any questions.

Joe Don Bobbitt, RPA
Chief Appraiser | Executive Director
Tarrant Appraisal District
