

## **FOOD DRIVE**

We have important news for all Cetronia families and staff. This year's annual district-wide food drive will be held on **February 10-21**. All schools throughout the school district are collecting food for our community.

This year Cetronia will be collecting pancake mix and syrup in a plastic bottle for the drive.

Grades K, 1st, and 2nd will place their donations in the boxes near the main office. Grades 3rd, 4th, and 5th will place their donations in the boxes outside of the gym. This year we have set a school goal of 600 items! Please help us reach our goal for our school wide incentive!
