

## What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Components:

- Link to academic achievement goals
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## Jointly Developed

The parents, students and staff worked together and shared ideas to develop the school-parent compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Yearly meetings are held to review and revise the compact based on students' academic needs and the school's academic achievement goals.

**Parents are welcome to contribute comments at any time!**

All feedback will be collected and reviewed during the allotted input meetings with parents. Please call (770) 474-5710 or visit our website, [www.henry.k12.ga.us/sms](http://www.henry.k12.ga.us/sms), for more information on the school-parent compact.

Stockbridge Middle School

## Building Partnerships

Stockbridge Middle School offers ongoing events and programs to provide parents and students with access to our staff:

- **Fall and Spring Parent Input Meetings**
- **Parent Involvement Remind**
- School website and social media (updated weekly)
- Title I Monthly Calendars
- Parent Resource Center--(M-F, 8:30am – 3:30pm)
- Workshops will be scheduled throughout the month
- **School Council**
- To observe in the classrooms or to make an appointment with your child's teachers, visit the school faculty web page or call at (770) 474-5710
- Volunteering

## Communication about Student Learning

Stockbridge Middle is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Parent-teacher-student conferences
- Updates to the school website, Teacher websites/blogs
- Infinite Campus (IC)
- Progress notes, phone calls, & emails

## Questions about your child's progress?

Contact your child's teacher by phone (770) 474-5710 or email. Faculty and Staff E-mail addresses are on the school website [www.henry.k12.ga.us/sms](http://www.henry.k12.ga.us/sms)

## Parent and Family Engagement

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Please consider joining the faculty, staff, and your student through some of the following events and programs.

- \* Charting Our Journey
- \* Parent Workshops
- \* Reading Bowl & Book Talks
- \* Concession sales during lunch & athletic events
- \* Lunchroom Monitors
- \* Parent Involved Events

If you would like to volunteer, participate or learn more about these opportunities, please contact: (770) 474-5710 Ext. 05217 or visit the Parent Resource Center (Inside the Media Center).

## Title I School-Parent Compact for Student Achievement

**2024-2025**

## Our Goals for Student Achievement

### 2024-25 Priority Student Outcomes

It was clear throughout the strategic planning process that community members and educators in Henry County share clear and consistent beliefs about the success of students and the entire Henry County community. As a result, the Priority Student Outcomes form the source for a local collection of metrics to share targeted improvement and success measures over the coming five years, and serves as the basis of a local accountability model that will include school and district dashboards to communicate progress in achieving more ambitious goals for students.

- We will advance opportunities, access, and outcomes for every student in literacy proficiency at every grade level.
- We will advance opportunities, access, and outcomes for every student in readiness to learn at every level.
- We will advance opportunities, access, and outcomes for every student in college, career, and life ready skills post-graduation.

### 2024-25 School Improvement Goals

**Goal #1:** Increase the percentage of students reading at or above grade level in 6th grade from 13% - 30% as measured by the 2025 Spring MAP assessment.

**Goal #2:** Increase the percentage of students present more than 90% of enrolled days from 68.84 to 90%.

**Goal #3:** Increase the percentage of 6th grade students scoring proficient or distinguished in mathematics on the 2024 Georgia Milestones End of Grade Assessment based on baseline data from newly implemented standards.

Literacy focus: Text-based evidence

Math focus: Positive and negative integers and unknowns

## Teachers, Parents, Students - Together for Success

### As a school, we will...

Stockbridge Middle School teachers understand the importance of the school experience to every student and their role as a teacher and role model. Therefore, the teachers agree to carry out the following responsibilities:

- Provide parents and students with online and offline academic resources to assist students and parents at home while using the provided devices.
- Teachers will inform parents of and provide tutoring opportunities before and after school in reading and math to strengthen scholars in levels of proficiency and beyond.
- Provide parents with opportunities for training and education during Math and ELA family nights and academic workshops.
- Create a safe and effective learning environment through the implementation of PBIS.

### As parents, we will...

Stockbridge Middle School parents joined staff to develop ideas about how families can support students' success in math and reading. The parents agree to carry out the following responsibilities:

- Check the provided devices regularly to ensure it is in working condition and access Google classroom and HCS resources with your scholar.
- Provide opportunities for your scholar to attend tutoring before and after school and engage with your scholars while reviewing notes from tutoring sessions to help determine areas of remediation and acceleration.
- Attend SMS Math and ELA family nights and academic workshops.
- Support the PBIS system by understanding the components and encouraging your scholar to engage in school appropriately.

### As Stockbridge Middle Students, we will..

Stockbridge Middle School students joined staff and parents to develop ideas about how they can succeed in school and reach their full potential in Math and Literacy. The students agree to:

- \* Keep my device in good, working condition and access Google classroom and HCS resources with parents.
- \* Attend and engage in tutoring to enhance skills and concepts where improvement can be made and strive to excel in areas of remediation.
- \* Attend family nights and academic workshops with parents that focus on learning, mastering, and applying math and ELA strategies necessary to achieve my academic goals.
- \* Demonstrate their R.O.A.R by being responsible, being outstanding, acting appropriately and being respectful to others through our PBIS system.
