2024-2025 Schoolwide Plan

Hammond Westside Montessori School Pre-kindergarten - 8th grade

This schoolwide plan meets the requirements as outlined in the Every Student Succeeds Act (ESSA).

School: Hammond Westside Montessori
SPS- 56.8
Letter Grade-D
Check all that apply (see CIR/UIR chart in Crate):
X CIR - Comprehensive Intervention Required
Schools that have been D- or F- rated for three consecutive years or two years for new schools Schools that have a graduation rate less than 67%
X UIR - Academic - Urgent Intervention Required for Academics:
Schools earned a score for one or more student groups that is equivalent to an "f" for at least two years
Economically DisadvantagedHispanic/LatinoXBlackWhiteXStudents with DisabilitiesX_English LearnersTwo or more Races UIR - Discipline - Urgent Intervention Required for Discipline:

The out-of-school suspension rate is two times the national average for the past three years

Frequently Ordered Title I Supplies 24-25

Place an "X" in the box to applicable areas. Enter estimated costs.

1.1 Family and Stakeholder Engagement

The SWP/SIP should be developed with the involvement of parents and other members of the community to be served, as well as individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals, and, if appropriate, specialized instructional support personnel, and school staff. If the plan relates to a secondary school, students may be included and other individuals determined by the school.

The SWP/SIP shall be available to the district, parents, and the public, and information contained in the plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

Each school is required to meet ESSA requirements, including the development and implementation of a parent and family engagement policy that includes a school-parent compact outlining shared responsibility for high student academic achievement.

Describe how the school prepared a diverse group of families/parent leaders (including parents of English Learners and student with disabilities) to provide input on the development and evaluation of the schoolwide plan by offering or connecting families/parents to training on analyzing data or curriculum and assessments:

- Families were invited and encouraged to complete a survey (Panorama) in the Spring in order to help inform decisions for the SWP.
- Families of students from various sub-groups (including families of English Learners and SWD) were invited to participate in the data analysis, evaluation of previous SWP, and development of the current year SWP. This meeting was held in June.
- In the Fall, the plan will be reviewed and revised if needed and families from various sub-groups (including families of English Learners and SWD) will be invited to participate.
- Families will be involved in the implementation of the SWP through a collaborative effort including Parent Family Engagement activities.
- Data will be presented to families and the SWP will be shared with all families at our annual Open House event. The SWP will also be posted to our school website.
- In June 2024, an effectiveness meeting will be held and information regarding the effectiveness of our SWP will be shared.
- SWP information will be shared periodically in our Whirlwind newsletter.

Provide examples of changes made to the schoolwide plan based on input from families/parents:

- Learning workshops for parents will be held for parents in the following areas: technology resources; curriculum; JCampus; intervention programs.
- Classroom libraries will be added in grades kindergarten 2nd grade.

Describe how parents and community stakeholders are included as decision makers in a broad spectrum of school decisions:

- Stakeholder meeting was held in June to review data, evaluate the previous SWP, and develop the current year SWP.
- Parents are invited to serve on the SWP committee as dictated by ESSA.

- In August, all teachers make introductory phone calls to parents of the students assigned to their class. This allows teachers to receive feedback from parents about their students and to begin developing a working partnership with the families in order to help each student succeed.
- IEP, 504, SAT, and collaboration meetings are held throughout the year as needed/required. Parents/Guardians are invited to participate along with teachers, administrators, and support personnel in order to make educational decisions.

Describe how the school communicates information to parents regarding the strategies and activities in the SWP, curriculum, assessments, student progress, etc.:

- Meet and Greet is held annually in August. Parents/families meet the student's assigned homeroom teacher and receive information regarding their child's school day, classroom/school expectations, and how parents can support their child's educational success.
- A weekly newsletter(Whirlwind) is sent home informing parents of upcoming events, strategies to use to support their student, school/student successes, parent resources, and extracurricular activities.
- Open House is an annual event in which parents/families have an opportunity to meet faculty/staff, the SWP is shared, and teachers provide needed information to the parents/families.
- Parental training will be held to assist parents in utilizing technology resources available to them and their students. (on-line grading portal, email, MindPlay, Zearn, curriculum resources, etc)
- Title I Compact will be sent home to each student.
- Purple folders are used to send home communication (such as the newsletter), graded papers, behavior reports, homework, etc.
- Report cards and progress reports (SWD) are sent home at the completion of each grading period.
- IEP, 504, SAT, and collaboration meetings will be held. Parents, teachers, administrators, and support personnel are invited to attend.
- Teachers will make parental/guardian contact via phone to each student in the assigned homeroom no less than once per grading period.

Translation Services:

• Schools should ensure that all staff communicate with LEP families in a language they can understand and notify LEP families of any program, service, or activity communicated to English-speaking families, to the extent practicable.

(Title VI of the Civil Rights Act of 1964)

- Parents in need of translation services to discuss student progress, assessment results, student concerns, etc. will contact the school and a conference with a translator arranged.
- Translator APP will be utilized
- Notes home will be in the primary language of the family.

Describe specific evidenced based strategies/activities to assist parents and families by offering or connecting families/parents to training on analyzing data or curriculum and assessments. For example, include activities that provide information on state academic standards, state and local assessments, and how

to monitor a child's progress. Also, describe activitachievement.	ties that provide n	naterials and training to help paren	ts work with their child.	ren to improve academic

1.2 COMPREHENSIVE NEEDS ASSESSMENT

To ensure the schoolwide plan best serves the needs of all students, especially high need students who are failing, or are at-risk of failing, the school must conduct a comprehensive needs assessment. The results of data analysis must guide strategies to improve academic performance and close achievement gaps.

• Provide outcomes of the school's comprehensive needs assessment, as well as a description of the data sources used in the process. Finding should include detailed analysis of all student subgroups; an examination of student, teacher, school, and community strengths and needs; a summary of priorities that will be addressed in the schoolwide plan.

and

• Use the Comprehensive Needs Assessment to develop a comprehensive plan for the entire school. Take into account information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of those children who are failing, or are at-risk of failing, to meet the challenging State academic standards and any other factors as determined by the school and District.

OVERALL STRENGTHS Listed IN CNA	OVERALL WEAKNESSES LISTED in CNA
According to TS GOLD data, 82.56% of the students assessed scored in the Meeting or Exceeding Range on the language assessment; 94.19 % on the literacy assessment; and 86.05% on the math assessment.	According to JCampus data, 358 (41%) of students had 15 or more absences
	According to JCampus data, 79% of discipline referrals were black students; 16% white students; 5% Hispanic students; 0% Asian and Hawaiin/Pacific Islander students

According to JCampus data, 5.7% of Pk-3rd grade students had at least 1 OSS day	Reading accuracy/fluency is an area that needs improvement according to Spring 2023 DIBELS data: 41% of Kindergarten students were on/above level; 47% of 1st grade students were on/above level; 39% of 2nd grade students were on/above level
According to JCampus data, 2.5% of 4th-8th grade students had at least 1 OSS day	Reading fluency/comprehension is an area that needs improvement according to iReady Diagnostic assessments: 19% of 3rd grade students were mid or above grade level; 29% early on grade level 13% of 4th grade students were mid or above grade level; 24% early on grade level 3% of 5th grade students were mid or above grade level; 16% early on grade level 0% of 6th grade students were mid or above grade level;10% early on grade level 7% of 7th grade students were mid or above grade level; 5% early on grade level 9% of 8th grade students were mid or above grade level; 12% early on grade level
According to ELPT data, 78% of ESL students are progressing.	PBIS usage (disproportionate number of points earned to amount used). PBIS events were not held. 293,300 points awarded, 103,721 used
According to the Panorama Family Survey, "Family Support" was a strength. (73% of 50 lower respondents and 81% of 34 upper respondents.)	According to Spring 2024 LEAP data, 35% or less scored mastery or above on any component of the math assessment.
According to the Panorama Student Survey, "Supportive Relationships" was a strength. (86% of 305 3rd-5th grade respondents and 80% of 244 6th-8th grade respondents.)	According to Spring 2024 LEAP data, 33% or less scored mastery or above on any component of the science assessment.
	According to our current Curriculum Implementation Scale, teachers are not effectively implementing the Social Studies curriculum with integrity and fidelity.

NARRATIVE SUMMARY OF COMPREHENSIVE NEEDS ASSESSMENT FINDINGS

Summarize the results and conclusions from the comprehensive needs assessment, including the school-level results for applicable data points listed under critical goals in Believe to Achieve: Educational Priorities, e.g. percentage of students on or above grade level in literacy by subgroup.

Narrative Summary from Comprehensive Needs Assessment:

Hammond Westside Montessori School serves students in grades pre-kindergarten through 8th grade. The campus enrollment is just over 1,000 students with over 78% of the students coming from economically disadvantaged households. HWM is diverse in race/ethnicity, serving students from the following

racial/ethnic groups: American Indian/Alaskan Native; Asian; Black; Hispanic; Native Hawaiian or Pacific Islander; and White students. Based on the data analysis completed by our Leadership Team members the following priorities have been identified: 1. We will increase student achievement in ELA, math, science and social studies. 2. We will increase instructional time by increasing time in class by reducing the number of unexcused absences and out of school suspensions. 3. We also endeavor to increase parental/family participation in all areas of school life including but not limited to: parent conferences, survey participation, parent/family participation in events aimed to demonstrate ways parents can support their students. 4.We will help increase academic achievement for our African American students, English Language Learners (ELLs), and students with disabilities, using tiered academic interventions and strategies through a multi-faceted and inclusive approach.

PRIORITIES IDENTIFIED IN THE COMPREHENSIVE NEEDS ASSESSMENT RESULTS

- Increase percentage of students scoring mastery and advanced in ELA, Math, Science, and Social Studies.
- Increase achievement of students in the Black, English Language Learners, and Students with Disabilities subgroups.
- Decrease the amount of students with referrals
- Increase student attendance.

DATA SOURCES- List all Data sources analyzed in the Comprehensive Needs Assessment (see instructions in Title I Crate Section 2):

- TS GOLD
- District created end of year assessments
- DIBELS/MClass
- CKLA assessments (district checkpoint)
- Wit and Wisdom assessments (district checkpoint)
- Affirm End of Module Assessments
- District created assessments
- Science end of module/unit assessments
- LEAP 2025
- Panorama Survey
- Curriculum Implementation Scale
- PBIS/PBIS Digital Rewards Data
- JCAMPUS Discipline Reports
- JCAMPUS Attendance Reports

SCHOOLWIDE PLAN GOALS

- Goals Specific, Measurable, Achievable, Results-focused, and <u>Time-bound</u>
- Academic Goals Aligned to the Most Current School Data Analysis
- Must Include Subgroup (s) Goal (s)
- Aligned to District Goals
- 1. All students will increase proficiency by 5% in all grades of ELA, Math, SC, SS EOY Assessments.
- 2. Decrease the percentage of students who are chronically absent by 5%.
- 3. The percentage of students in grades PK-8th who receive 1 Day OSS will be less than 5%.
- 4. Subgroups (ELL, Students with Disabilities, Economically Disadvantaged will increase proficiency by 5 % points on ELA, Math, SC, SS EOY Assessments.
- 5. Panorama data results will increase in climate (teacher culture, student relationships)
- 6. Increase literacy proficiency in Dibels K-3 by 5% points.

1.3 STRATEGIES FOR IMPROVEMENT

Provide a description of schoolwide strategies that the school is implementing to:

- 1. Use methods and instructional strategies that strengthen the academic program in the school
- 2. Increase the amount and quality of learning time
- 3. Help provide an enriched and accelerated curriculum, which may include programs, activities and courses necessary to provide a well-rounded education
- 4. Include interventions and strategies to increase student achievement in underperforming subgroups.

Be sure to address all four strategies and identify the <u>Believe to Achieve: Educational Priorities</u> the school will target.

BELIEVE TO ACHIEVE: EDUCATIONAL PRIORITIES

A school implementing a schoolwide model should align schoolwide plan strategies to Believe to Achieve: Educational Priorities, analyzing school-level data in comparison to state-level data to drive the process and track performance. The educational priorities include the following:

- 1. Ensure every student is on track to a professional career, college degree, or service.
- 2. Remove barriers and create equitable, inclusive learning experiences for all children.

- 3. Provide the highest quality teaching and learning environment
- 4. Develop and retain a diverse, highly effective educator workforce.
- 5. Cultivate high-impact systems, structures, and partnerships

Support Structures and Programs that Provide Collaborative Support for Student Learning (e.g. Speech, Enrichment Classes, Accelerated Classes, Kids-In-Transition, P.E., Art, Music):

- In grades K-8 inclusion is widely used and supported by instructional paras and sped paras.
- LEP students are supported by an ELL teacher in the general education setting.
- Special education teachers provide instruction for students who need support in a small-group setting.
- Students attend the following enrichment classes: art, music, PE, library, media/ computer.
- Students in grades 4-8 have the opportunity to join various clubs such as: Garden CLub, Drumline, Leading Ladies, Distinguished Gentlemen's Club, Technology Club, etc.

1.6 MULTI-TIERED SYSTEMS of SUPPORT (MTSS) for BEHAVIOR

Describe the school's implementation of a multi-tiered system of support to prevent and address problem behavior as noted in <u>Believe to Achieve</u>: <u>Educational Priorities</u>, including <u>coordinated early intervening services</u> (CEIS) under the Individuals with Disabilities Act (IDEA), if applicable.

Recruit Effective Teachers, Particularly in High Needs Subjects/Schools to address high need students who are failing or at-risk of failing and students with diverse needs:

- School Administrators will attend and interview teachers at the District Transfer Fair and Job Fair events to fill openings at their school.
- The district website advertises teacher openings.
- District leaders attend recruitment fairs at local colleges and universities in the fall and spring.
- Participate in the Teacher Residency Pilot Program through SELU where select education majors participate in 1-year internships.
- The TPSS provides an alternate certification program.
- Praxis workshops are available for TPSS faculty.
- Current TPSS faculty are eligible to earn stipends for referring certified teachers to our district.
- Placement of student teachers through local universities.
- A district created applicant list is available for principal review, interview and recommend for hire.

Coordination and Integration of Federal, State, and Local Resources, Services, and Programs:

McKinney Vento: All homeless students receive all services for which they are eligible at their school site through Title I, Title III, Food Services, LA4, IDEA, and McKinney Vento funds.

Food Services: All students whose income qualifies them for free/reduced meals participate in the federal food service program.

Special Education: Identified students with disabilities receive all services specified on their IEP through a combination of GFF, IDEA, Title I, or Title III funding.

English as a Second Language (ESL): Identified LEP students receive services from ESL teachers, paraprofessionals, and/or tutors at their school site. These services are paid for through GFF, Title I, Title III, and Title III Immigrant Funds.

21st Century Programs: Students in participating schools are entitled to attend the 21st Century afterschool programs during the school year and during the summer.

Headstart Preschool Programs: Headstart preschool children graduate into their

feeder schools in the District in which they live. Receiving schools provide transition activities and services for children and parents. Preschool programs are funded

through LA4, 8G grant, Title I, and GFF.

4. Regular Monitoring and SWP Revision

- The SWP remains in effect for the duration of the school year. The plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the challenging state academic standards.
- The school will annually evaluate the implementation of, and results achieved by, the schoolwide program using data from the state's annual assessments and other indicators of academic achievement to determine whether the plan has been effective in increasing achievement of students in meeting the state's academic standards, particularly for those students who had been furthest from achieving the standards. The school will revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

Describe how and when the SWP is monitored during the school year using multiple types of data including diagnostic, interim, and summative assessment, in order to evaluate instructional practices, determine patterns of student achievement, and make necessary adjustments to increase student learning across grade levels, content areas, claims/subclaims, and subgroups:

At the beginning of the school year, the SWP is reviewed by faculty and staff. Throughout the year it is discussed in Leadership Team
meetings as well as PLC meetings where focus areas are addressed, student work, state assessments, district assessments, universal
screening data, and discipline data are reviewed and analyzed. Next steps are discussed and implemented to ensure that the goals are
being addressed.

Describe how and when the SWP Committee will meet and discuss school programs implemented, as outlined in the SWP, to determine effectiveness and to assist in planning for the upcoming school year:

• In the Fall the SWP committee will meet to review the SWP and make necessary revisions to the plan. A meeting will be held in December/January to determine whether or not revisions need to be made and ensure that focus areas are being addressed as we move into the spring semester. In May/June an effectiveness meeting will be held to review the 2024-2025 SWP and determine its effectiveness, results of strategies, student data, discipline data, and family and parent engagement activities.

Describe how and when the evaluation results of the SWP are reported to the school's stakeholders (faculty, staff, parents/families, and community members):

• Information from the effectiveness meeting in May/June will be shared on the school's website, discussed with faculty and staff at our end of school year faculty meeting, and included in our weekly parent newsletter.

2024-2025 Committee

Members

School Improvement Planning Committee

Responsible for the Design, Monitoring, Revision, and Evaluation of the SWP

Members Include:

• Principal: Hugh Wallace and Jason Oller

• Student: William Lewis

• Teacher: Wenter Lewis

Parent/Family: Avery Connolly

• Community Member: Alexis Ducorbier

• ILT members: Lisa Genco, Rushetta Baker, Catherine Inzinna, Paula Wells, Christy Navarra

You may add more members. Provide title and name of each member.

Parent/Family Engagement Committee

Responsible for the Implementation of the PFE Activities in the SWP

Members

Include:

• Principal: Hugh Wallace and Jason Oller

• Student: William Lewis

• Teacher: Wenter Lewis

Parent/Family: Avery Connolly

You may add more members. Provide title and name of each member.

SCHOOL ASSURANCES

/	I certify	that this schoolwide	nlan was desig	ned to im	prove student achieve	ment with input	from all stakeholders.

- ✓ I assure that the school-level personnel, including stakeholder representatives responsible for implementation of this plan, have collaborated in the writing of the plan.
- ✓ I hereby certify that this plan has all of the following components:
 - Evidence of the use of a comprehensive needs assessment
 - Measurable goals
 - Parent and family engagement activities aligned with assessed needs
 - Evidence-based methods, strategies, and activities that guide curriculum content, instruction, and assessment
 - Plans for transitioning incoming and outgoing students in the school community
 - Professional development aligned with assessed needs and strategies to attract and keep high quality teachers
 - Coordination and integration of federal, state, and local resources, services, and programs
 - Evaluation plan that includes methods to measure progress of implementation and effectiveness of strategies and programs
 - An schoolwide action plan with timelines and specific activities for implementing the above criteria
- ✓ I further certify that the information contained in this assurance is true and correct to the best of my knowledge.
