District Response to Data: Advanced Placement Strategies

- AP course offerings were increased as was course enrollment for 2024-2025.
- Students receive College Board© accounts with individual module support for AP exams.
- Home access to College Board© test prep materials is available.
- AP Symposiums are held every month on Saturday to help support the learning and prepare students for the AP exams.
- Teachers are certified and trained by College Board© at Rice University which is a critical support.
- Pre-AP classes have now been added to the middle school curriculum which are aligned to AP courses in high school.

Students receiving the high-level AP courses and teachers trained in AP instruction is the WIN more than just the 3 or higher score. We feel that the scores will come with prioritizing a vertical middle school to high school AP program and are very proud of the work we see with our teachers and students in our AP classes.
