EHS Senior Spotlight October 2024: Meet Christian Ciron

What are your “Hopes and Dreams” for your senior year?

Experience everything, I can experience, do everything I can do, achieve everything I can achieve, and enjoy my youth. Also, save the world.

Ewing High School has a new principal this year, Ms. Lisa Sabo, any “inside information” you would like to share with your new principal?

Don't tempt the fates.

What is your advice for the incoming freshmen class for a successful and rewarding high school experience?

Take it easy, it's not as hard as you think it is. Approach everything as if you are a prodigal genius who is capable of learning and doing anything.

While at it, try everything, do everything, and enjoy everything. You'll be great.

What is your favorite subject?

AP Environmental Science with Ms. Burns.

Who is your favorite teacher or coach and why?

Mr. Burley, Ms. Burns, and Ms. Mosty have all been great mentors; sorry, I couldn't pick just one.

What activities do you participate in school?

Varsity captain of the Ewing Boys Tennis Team, Vice President of the Rotary Interact Club, President of the Environmental Club, Board Member for the Key Club, National Honor Society (NHS) member, Drama Club Member, Peer Leader, Peer Tutor, Student Council Officer, Girls Tennis Team Manager

What activities do you participate in outside of school?

In the summer, I volunteer at the Mercer County Tennis Program as a coach, where I teach kids ages 7-10 the fundamentals of the sport. In addition, I am a tutor at the Mercer County Libraries for elementary school students. I spent two of my summers volunteering at the Fisher Middle School summer school. I also work at Dunkin' Donuts.

What awards or acknowledgments have you received in school or outside of school?

AP Scholar with Honors

Student-Athlete of the Month

The Ewing Public Schools

Providing a Foundation for Life

THE EWING PUBLIC SCHOOLS

Student of the Month

Environmental Club Dedication Award

“The GOAT”, which I was dubbed by many of my peers.

What accomplishments are you most proud of?

Leading the boy's tennis team to the most wins it's had in years!

Spearheading the recent bagged lunch-making initiative (Over 100 bags were donated to the Trenton Area Soup Kitchen!)

Singing in the Freshman Orientation music video parody of Bruno Mars's “That’s What I Like”.

What is your favorite memory of high school to date?

Watching the real stars with the guys on the peer leadership retreat, the conversations held over some Gatorade and blackjack at our makeshift roundtable, and hiking late at night in the mountains. These experiences genuinely made me think of these guys as my brothers.

Who or what has impacted your life in a positive way?

To the little boy I lied to who genuinely believed I was Spiderman, who looked up to me with eyes filled with youth, innocence, and ignorance, I strive to be the man worthy of who you think I am. Also, my mother, obviously.

How do you define success?

To be fulfilled and content.

What are your plans after you graduate from Ewing High School?

I am going to save the world. Mark my words. Also probably move back to California.

What is your favorite quote or book?

“He who would climb a ladder must begin at the bottom” - Furudate

If you had one thing you could do over again in high school, what would that be?

Skip the “emo phase”.
